# Town of Weathersfield

## Annual Report 1969

## **The Ascutney Volunteer Fire Department and West Weathersfield Volunteer Fire Department**

The Ascutney Volunteer Fire Department has just acquired a 1950 Diamond T Pumper with a 1,000 gallons of water on the rig. It will pump at the rate of 500 gallons a minute which is the same as the pumping capacity of the West Weathersfield's Pumper, which has in addition a 1,000 gallon tanker. So the combined departments have 2,500 gallons of water available for immediate use.

Both departments are members of Mutual Aid and have 2-way radios. Normal procedure on the way to a fire is for the officer in charge to contact Springfield, which is Mutual Aid Headquarters, and tell them where the fire is. Upon arrival at the fire the officer in charge may further contact Springfield where Mutual Aid Headquarters are already standing by in case more help is needed.

"Running Cards" are kept on each department so the dispatcher knows where special fire hazard areas are and where water would come from to be used in that particular place.

The Ascutney Fire Chief is Henry "Hank" Cobb, 1st assistant is Clarence Stillson, 2nd assistant - Melvin Butterfield, Captain - Percy I. Bliss. There are 3 trustees: Claude Butterfield, Rodney Spaulding, Clarence McDerment. Treasurer - Donald Scribner and Secretary - Earl Rice. Regular meetings are held the 1st Monday of each month with drills as specified.

The West Weathersfield Fire Chief is: Clarence "Sonny" Grover, Deputy Chief - Dennis Richardson Sr., Assistant Chief - Ronald Lockwood, Captain - Kerry Stapleton, Lt. - Allan Churchill, Secretary-Treasurer - Kenneth Murray. Regular meetings are held the 2nd Monday of each month with drills as specified. The Ascutney pumper was purchased from Saddle River, N. J., for \$800.00 and attachments are on order to go with this truck. The West Weathersfield tanker came from Williston, Vt., has a portable generator, two flood lights, an extension ladder, a roof ladder, spot light and hose.

## WEATHERSFIELD TOWN MEETING

Tuesday, March 4, 1969

The legal voters of the Town of Weathersfield and the Town School District met at the Multipurpose Room in the Perkinsville School in the Town of Weathersfield, Vermont at a legally warned meeting and began at 10:00 a.m., Tuesday, March 4, 1969 to elect for the first time town officers by Australian ballot. They also voted by ballot on the sale of spirituous liquors, malt and vinous - beverages. The ballot boxes for beverages closed at 3:00 p.m. and the ballot boxes for town officers closed at 6:00 p.m. The meeting reconvened at 7:00 p.m. and acted on the remaining articles in the warning. Melvin Butterfield, moderator declared the ballot boxes open at 10:00 a.m. Richard Connor, Constable, was on duty until relieved by Robert Z. Gale, second Constable. Sunshine and deep snow characterized the day. There were 816 names on the check list of voters.

Article 1. Elected Town Officers by Australian ballot. The ballot box opened at 10:00 a.m. and closed at 6:00 p.m. at the Perkinsville School. For Town and School Officers elected and appointed see Weathersfield Town Officers 1969.

Article 2. The town voted to grant the sale of malt and vinous beverages:

171 YES                      43 NO

They granted the sale of spirituous liquors by a vote of:

140 YES                      64 NO

The vote on this article was by ballot and a check list was used.

The balloting began at 10:00 a.m. and closed at 3:00 p.m. Melvin Butterfield, moderator, called the meeting together at 7:00 p.m. then adjourned it until the balloting for officers was tallied, following which he called the meeting together again, read the warning, declared the meeting open for business and announced the results of the balloting for officers.

Article 3. R.D. Bullard moved that the reports of Town Officers for the year ending December 31, 1968 be accepted. It was seconded. There was no discussion. Motion adopted by voice vote.

Article 4. Voted to authorize the Selectmen and the School Directors, to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 5. To see if the Town will vote to authorize the Selectmen and School Directors to borrow money, if necessary, to pay current expenses in anticipation of the sale of the School Bond for the Ascutney School addition.

Roald Cann said "I move we do." The motion was seconded. The article was voted in the affirmative and Melvin R. Butterfield, moderator, declared the article was approved.

Article 6. Voted to pay Town Officers, with the exception of the treasurer and the school directors, \$1.75 an hour and ten cents a mile for travel while on town business. The treasurer to receive a 20 per cent increase on last years salary of \$2,700.00 which included travel expenses.

Article 7. Voted to print in the Town Report the names of delinquent taxpayers and amounts due from each.

Article 8. Voted to appropriate \$1,200.00 for the Proctor Library and the Perkinsville Branch; \$50.00 of this sum to be used for the purchase of books for the War Memorial Library.

Article 9. Voted to authorize the Selectmen to appropriate \$12,000.00 for a new truck and plow. There was considerable discussion on this article.

Article 10. Voted to amend the article to read: To see if the Town will vote to instruct the Town Officers to adopt a policy to obtain two or more bids in writing for purchases of equipment and services. Amendment voted in the affirmative. Original article read: To see if the Town will vote to instruct the Selectmen to obtain two or more bids in writing for all purchases of new equipment in excess of \$1,000.00 (By request.)

Article 11. Amended to read: To instruct the Treasurer to pay only bills having the signed approval of Town Officers as required by Statute. Voted amended article in the affirmative. The original article stated: To see if the Town will vote to instruct the Treasurer to pay only bills having the signed approval of two or more Selectmen. (By request.)

Article 12. Voted to appropriate \$200.00 for the Windsor County Mental Health Service, Inc. to be matched by \$400.00 by the State.

Article 13. Voted to appropriate the sum of \$3,000.00 to be matched by \$6,000.00 in State funds for construction on State Aid roads.

Article 14. Voted to appropriate the sum of \$4,000.00 to be divided equally between the West Weathersfield Volunteer Fire Department and the Ascutney Volunteer Fire Department for operation, equipment and buildings.

Article 15. Voted not to appropriate a sum of money not to exceed \$400.00 to subsidize the Springfield ambulance service.

Article 16. Voted to pass over ARTICLE 16 Will the Town of Weathersfield vote to join with other towns in this region to create the Southern Windsor County Regional Planning Commission as authorized by law (24 V.S.A. Chapter 91, Section 4341 et.seq.) and to authorize the Selectmen to appoint one or more representatives to the Commission from among the inhabitants of this Town.

Article 17. Voted to pass over Article 17. Will the Town of Weathersfield appropriate a sum of money to be applied against the expenses of the Southern Windsor County Regional Planning Commission and if so how much?

Article 18. Voted to authorize the Selectmen to appoint a committee to make a study for a zoning ordinance for the town of Weathersfield.

Article 19. Voted to authorize the Selectmen to appropriate a sum not to exceed \$500.00 for the purpose of road signs to be installed in Weathersfield.

Article 20. Voted to pass over Article 20: To see if the Town will vote to adopt the town manager system. If so, to authorize the Selectmen to hire a town manager at a salary, not to exceed \$4,000.00.

Article 21. Voted to appropriate \$150.00 to be used for a 1969 Memorial Day Parade by a committee appointed by the Selectmen.

Article 22. Voted to approve the budgets of the Selectmen and the Town School District for the ensuing year.

Article 23. Voted to collect taxes in the manner provided by statute:

To pay taxes to Town Treasurer.

To have poll taxes due August 1st and delinquent after September 1st.

To have real and personal taxes due August 1st and delinquent after November 1st.

To charge interest on delinquent taxes at the rate of one-half per cent per month or fraction thereof.

Article 24. Voted to authorize the Selectmen to license all restaurants, inns, theatres and night clubs in accordance with Title 31 V.S.A. 442-443; 31 V.S.A. 503-505 and Title 9 V.S.A. 3061-3062.

Article 25. Voted a rising vote of thanks to Mr. Richard Hinkley for filling in on the School Board and to Mr. Richard Connor a vote of thanks for the fine work he has done for the town as Constable. Voted to adjourn.

Attest: Elizabeth G. Murray, Town Clerk

## **SPECIAL TOWN SCHOOL DISTRICT MEETING AND**

### **SPECIAL TOWN MEETING**

**June 3, 1969**

The legal voters of the Town School District and the Town of Weathersfield in the Town of Weathersfield, Vermont at a legally warned meeting met at the Town Hall at Weathersfield Center, Vermont between the hours of 10:00 a.m. and 6:00 p.m. and transacted the following business by ballot:

Article 1. Shall the Town and Town School District authorize their legislative branches (Board of Selectmen and Board of School Directors) to enter into contract with existing or new farmers, owners, lessees, bailees or operators who construct or acquire new farms and industrial real estate and personal property, including - additions to existing real property, for the purpose of fixing and maintaining the rate of tax applicable to such real and personal property, or for the purpose of fixing the amount, in money, which shall be paid as an annual tax upon such real and personal property. Such a contract shall be for a period not to exceed five (5) years. (A "farmer" is a person receiving directly or indirectly not less than two-thirds of his gross income from the business of farming as defined under the tax laws of the United States.)

118 YES                      64 NO                      not 2 / 3 vote so article was  
voted in the negative.

Article 2. Will the Town vote to take advantage of the provisions of Chapter 37 of Title 24 of the Vermont Statutes Annotated and authorize the Selectmen to employ a town manager?

85 YES                      99 NO

Article 3. Will the Town authorize a supplementary budget of \$12,000 for the Selectmen's General Fund divided as follows: \$1,000 for repairing damage to the Greenbush Cemetery, \$6,500 for increased wages for the highway department and \$4,500 for the Hammond Bridge?

116 YES                      67 NO                      The article was approved.

## **SPECIAL TOWN SCHOOL DISTRICT MEETING AND SPECIAL TOWN MEETING**

**Weathersfield, Vermont - June 3, 1969**

The legal voters of the Town School District and the Town of Weathersfield in the Town of Weathersfield, Vermont being duly warned met at the Weathersfield Town Hall at Weathersfield Center in the said Town of Weathersfield, Vermont on June 3, 1969 between the hours of 10:00 a.m. and 6:00 p.m. and cast their ballots to transact the following business:

Article 1. Shall bonds of the Town School District of Weathersfield, Vermont, authorized on June 13, 1968 in an amount

not to exceed \$191,500 for the purpose of constructing an addition -  
to the elementary school located in the Village of Ascutney be issued  
bearing interest at rate not to exceed 6 per cent not with standing  
the limit imposed by said vote of June 18, 1968?

Votes Cast:                    YES 139                    NO 45

Article Approved

The voting was by ballot and a check list of voters was used.

Attest:

Elizabeth G. Murray  
Weathersfield Town Clerk

## AUDITORS' STATEMENT

In accordance with Section 3593V's as amended, we have verified the existence of stated cash balances; inspected all securities, and to the best of our knowledge, the following financial statements and reports of receipts and disbursements present the financial position of the Town of Weathersfield on December 31, 1969 and an accurate record of funds handled in the year then ended.

## SELECTMEN'S REPORT, 1969

All three selectmen were present at all meetings except for two. The selectmen were faced with many new problems this year. The most important and the costliest was the flood of July 29th. We wish to thank the road commissioner and his crew and the extra men who were pressed into hurried service to help during this disaster and worked long hours to alleviate the situation and help stranded residents. We want to thank, also, the many residents who helped on their own.

The selectmen want to express particularly their gratitude to Gov. Davis, State Director Holmes of the Civil Defense Dept., and District Representative Osgood for declaring Weathersfield a disaster area and providing us with advice, funds, and personnel during this emergency. Weathersfield was virtually at a standstill as well as without any financial resources to meet the emergency. Every resident of Weathersfield should be aware of the many services performed through the State Civil Defense office and be aware of our indebtedness to them.

The reappraisal of real estate by the listers was time-consuming for all. We would like to point out that our listers accomplished this task for less than the cost of a State appraisal and that they did an excellent job under the new formula required by the State. In the spot check undertaken by the State, our properties varied only a percent in a few cases, and agreed in most. The listers are to be commended for the excellent job they did.

Another serious problem facing the residents of Weathersfield is increasing crime in our area. Vandalism, thefts, and breaking and entering have greatly increased. Our Constable, Robert Gale, has been successful in apprehending law violators, both juveniles and adults, as well as helping the State Police. It is our recommendation that the voters approve the Selectmen appointing a chief of Police, as our top law enforcement official. There are many reasons that this is a better procedure. A Chief may be bonded for a far greater amount than a constable, which frees the town from liability to a greater degree. In law enforcement circles and in court hearings it is often advantageous to be the Chief of Police. The Chief of Police and First Constable may be the same individual so it is not necessary to incur additional expense.

An unexpected bridge repair in the Greenbush area was a totally unforeseen expense.

With continued growth and development in Weathersfield, we want to make our residents aware of State requirements governing mobile home parks and land development, particularly regarding State Health Dept. requirements, and also in planning and developing new roads to be taken over by the town. Such roads MUST meet town specifications. The town is not compelled to take over a new road.

With rapid expansion in Vermont and the increased number of State agencies, bureaus, and so forth, town business can no longer be conducted as in past years. It is time-consuming. We are growing rapidly and the services needed to carry on town business are increasing. We are proposing that the voters consider some form of a town manager system since it is no longer possible or practicable for selectmen to carry on town business in their spare time. We are losing out at the State level by not having representation at state agency meetings and, therefore, not benefiting from the tax dollars we send to Montpelier.

We hope all residents will carefully consider the environmental control programs being considered at the State level to protect Vermont from poor development, destruction of natural resources, and pollution and be prepared to provide necessary plans for Weathersfield.

There are many items in the warning and all deserving of your most careful consideration. With the cost of government continually going up, we hope you will familiarize yourself with the needs and problems facing Weathersfield and recognize the need for long-range planning.

Board of Selectmen  
Henry Hicks  
Irving McCoy  
Karl Stevens

balance this account will be  
received later this year.

### FLOOD EMERGENCY REPORT JULY 29, 1969

The Disastrous flood of July 29th left virtually every town road in Weathersfield in need of repair. Nearly every culvert and bridge was damaged or completely destroyed and some roads just disappeared. The Selectmen notified the governor's office of the extent of damage and the following day Gov. Davis declared Weathersfield a disaster area. This meant we were eligible for Civil Defense Dept. assistance as well as help from the National Guard, who provided trucks, bulldozers, and personnel for a week. Most importantly, it made us eligible for federal funds. Weathersfield had absolutely no financial backlog to meet the situation. I cannot emphasize enough to you how fortunate we are to have become eligible for \$110,000.00 to repair the damage. To have raised this ourselves would have meant nearly \$2.00 on the tax rate. We tend to take Civil Defense for granted, but every taxpayer and resident of Weathersfield should be grateful to our State Civil Defense Director, Mr. Holmes and the area representative, Mr. Osgood, for the excellent job they did in obtaining federal money for us as well as for surveying the damage with the State Highway Dept., our local road commissioner, and the selectmen.

The damage survey and reports to obtain these federal assistance funds took many, many days of outside legwork and many, many hours of paper work. As agent, I worked with

members of Civil Defense, State Highway Dept. and Corps of Army Engineers in preparing flood damage reports and requests for financial aid. In this capacity as agent I am required by State and Federal agencies to supervise work, keep reports and financial records to be audited by State and Federal authorities. Since the town is required to provide this supervisory agent, I have had to charge my time to the Selectmen's Account.

We will complete this repair work in the spring. Because of our dire financial situation, the \$55,000.00 in Federal funds we received in October was actually an advancement. We will not receive the final payment until the work has been completed at which time it will be inspected and approved by State and Federal authorities and until the books have been audited by State and Federal auditors. We have, therefore, placed in the warning, Article 10, requesting authority to borrow in anticipation of these emergency funds.

Cemetery Commissioner

## CEMETERY COMMISSIONERS REPORT - 1969

The nine unendowed Town cemeteries and the four larger ones that do have endowment funds were cared for this last year as usual, with mowing, raking and general clean up work.

A serious case of wanton vandalism occurred at the Greenbush Cemetery, with many of the old stones knocked over and some broken. Considerable time and Town money was spent carefully restoring the cemetery as a result of this criminal act.

Respectfully submitted,

Cecile Martin  
Grace Stevens  
Louise Covell  
Herman Young  
Andrew Titcomb

## PROCTOR LIBRARY STATEMENT

Balance January 1, 1970	
Bonds	\$3,000.00
Interest on bonds	25.00
Fines	5.00
Circulation	5,250
150 new books were bought for the Ascutney Library	

Library insurance was taken out for the Proctor Library. To meet the requirements of our insurance company extensive repair work was done on the chimney and furnace. A new blower motor had to be installed this fall. Because of furnace trouble this year and heavy snow our janitor bills were very high.

Two book trucks were bought. Due to shortage of room one could not be used in Perkinsville so it was taken to Ascutney until the time it can be used in Perkinsville.

The bonds are in the process of being re-invested where much higher interest will be paid. We left the interest from the trust fund to be used in the coming year.

## REPORT OF PERKINSVILLE BRANCH LIBRARY JANUARY 1, 1970

Circulation	845
Books donated	
20 by Mrs. Donald Miller	
1 by Mrs. William Cole	
75 New books bought by Proctor Funds	
Various pamphlets from State Organizations	
1 book (Bennington Pottery) bought from fund balance last year.	

### SPECIAL GIFTS:

"The Grange in Vermont" by Guy W. Horton, Henry A. Stoddard & Harold J. Stillwell--(Authors). This was presented to the library by The Home Economics Committee of Hawks Mt. Grange, Mrs. Gertrude Barrows, Chairman.

This book is dedicated "To all faithful Patrons of Husbandry who have contributed to Grange Growth in Vermont", of interest to many citizens.

### MEMORIAL GIFTS:

"Meet Calvin Coolidge" - The Man behind the Myth" - as seen by prominent men and women during his life time. To name a few, Grace Coolidge, Alfred E. Smith, Herbert Hoover, Will Rogers and many others.

"Complete Poems of Robert Frost"

The above two books are from money contributed by friends and neighbors of Anna Billings Clark in Perkinsville and given to the library in memory of her.

"Vermont-A Special World" from the Town Library Fund in memory of our soldiers.-Very beautiful.

All of these gifts are exceptional and it is my hope that many will come to the library to see and read them.

### FINANCES:

Balance Jan. 1, 1969	\$17.10
Memorial Gift--Clark	10.00
Books sold	1.00
Fines	4.90

---

\$33.00

Louise Covell, Librarian

## **FIRE WARDENS REPORT 1969**

Once again we are pleased to report there were no disasterous fires during 1969. Again we wish to thank all the residents of Weathersfield for their cooperation in keeping this town free from the loss caused by fires and in keeping the countryside beautiful. We are happy to report that our Volunteer Fire Departments have greatly improved the protection factor by additional equipment and joining the Mutual Aid Pact. You can rest assured that every assistance will ge given if a serious fire should break out. During 1969 Weathersfield called upon Civil Defense for assistance due to flooding the whole area. Over the years we have endeavored to show that these emergencies could happen in Weathersfield. It sure did, and very suddenly, and the town was in a sorry state! However, within the hour Civil Defense came to the rescue and help began to arrive. We also would like to thank the Volunteer Fire Department for supplying water to those in need and giving rescue, in one case, of evacuation by boat. Your warden wishes to state that along with fire wardens duties the Civil Defense organization will be brought up to date in the near future.

Again, thank you.

Percy I. Bliss, Fire Warden

Civil Defense Chairman

## **FIRST CONSTABLE REPORT 1969**

This year has shown crime on a steady increase in Weathersfield. Dog complaints are far ahead of any other problem. Dope, intoxication, accidents, breach of peace and so forth are naturally also on the increase. This calls for more time spent investigating court appearances and detailed and accurate records must be kept.

Weathersfield needs a modern type of police system to replace the obsolete horse and buggy day constable system we now have, where it is practically impossible to get corrections even after a subject is apprehended.

Weathersfield has taken a big step in progress by furnishing us with a radio system which is proving very effective, bringing us to closer and quicker communication with surrounding police departments.

You are reminded that you may call Springfield Police and ask for A-4 or call Windsor 674-5188 anytime as we have 24 hour day or night radio and telephone communications available to you.

**ROBERT GALE-FIRST CONSTABLE**

## **VERMONT STATE DEPARTMENT OF HEALTH**

### **ANNUAL TOWN REPORT, 1969**

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1968, through June 30, 1969. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Weathersfield.

Attendance at State Public Health nurse sponsored well-child conferences and Immunization Clinics	14
Number of children served at the child development clinic	1
Number of children aided at handicapped childrens clinics for speech, hearing, orthopedic, plastic, neurological, or cardiac problems	8
People x-rayed for tuberculosis detection	4
People x-rayed for occupational diseases	6
Attendance at tumor clinics	1
Attendance at diabetes clinics or physician screening for diabetes	44
Diphtheria, Tetanus, Whooping-cough immunizations	4
Polio immunizations	4
Smallpox immunizations	2
Number of water samples tested (private & public supplies)	39
Blood specimens tested (pre-marital, pre-natal, and other)	59
Other laboratory specimens	8
Sanitary inspections, consultations (food & lodging, camps)	39
Water, sewage disposal, public buildings & other inspections	55
Medical Care Services: nutrition and dietary consultations, inspections and consultations to hospitals, nursing homes, homes for the aged, and home health service agencies	2
Public Health Nurse visits	157
Number served by Public Health Nurse visits	79

Respectfully submitted,

R.B. Aiken, M.D. M.P.H.  
Commissioner of Health

## VERMONT DEPARTMENT OF SOCIAL WELFARE

Montpelier, Vermont

### Report to the Town of Weathersfield

Last year this department initiated reporting to each town and city the amounts spent and people aided in each locality under the various programs of the Vermont Department of Social Welfare. This report replaced the previous annual notification to each town of the charges that had been assessed against their community for

THE BIG RAIN ON JULY 28-29, 1969 WASHED OUT ROADS AND CULVERTS GOVERNOR DEANE C. DAVIS DECLARED WEATHERSFIELD A DISASTER AREA THE NATIONAL GUARD ARRIVED TO GIVE AID \$110,000 FEDERAL AID HELPS

WHERE IS THE \$14,000 CULVERT? In Ascutney the huge culvert and road leading to the Gerald McAllister settlement disappeared during the night and two trailers were inundated.

HERE IS THE LOST CULVERT - It was washed down Mill Brook, around a bend and came to rest over the dam by the bridge leading to Guy Raymond's "Hidden Glen."

GOULDEN RIDGE ROAD - Col. Milford W. Delorme, (left) of Military Support of Civil Affairs Planning Office of Vermont National Guard and Howard Johnson, road commissioner, inspect gutted Goulden Ridge Road.

WASHOUT ON BARK MILL BROOK - The flash flood left only a small part of the cement culvert in Bark Mill Brook bed. A temporary road is visible in the background. (Photos By Betty G. Murray)

their share of State operated welfare programs. The enactment by the General Assembly of the Social Welfare Act of 1967 eliminated sharing in State welfare costs at the local level and consequently, the basis for this type of reporting to the towns.

This years report on amounts of money paid to money payment recipients in your town and monthly average number of recipients is for calendar year 1969 in contrast to the half year report made last year. In addition, we are able to report a full year of money spent for General Assistance and for the last six months of the year, the value of the year, the value of the bonus food stamps given to residents of your town and the monthly average number of participants. General Assistance is the program that was formerly operated by your Overseer of the Poor. Your town's tabulation is as follows:

Program	Amount	Monthly Average Number of Recipients
Aid to the Aged	\$ 1,315.00	1
Aid to the Blind	0.00	0
Aid to the Disabled	1,357.00	2
Aid to Needy Families with children	22,814.00	34
General Assistance	2,375.69	0
Bonus Food Stamps (6 months)	943.00	23

The above figures do not include money payment recipients residing in nursing homes or mental hospitals as there does not appear to be a fair way of assigning a town of residence to these people.

In addition, medical vendor payments for the calendar year 1969 totaled over \$11,000,000.00 (more than 1 / 3 of all department expenditures) and payments in behalf of committed children totaled over \$1,000,000.00 for a monthly average of 1,480 children. No doubt, residents of your community were numbered among those who benefited by these expenditures.

Respectfully submitted,

Paul R. Philbrook

Deputy Commissioner

## DOG LICENSES ISSUED 1969

### On Time

56 females	at \$6.00	\$336.00
108 spayed females	2.00	216.00
148 males	2.00	296.00

### Late

3 females	9.00	18.00
11 spayed females	3.00	33.00
23 males	3.00	69.00
<hr/>		<hr/>
349 dogs licensed		\$977.00
Fees to clerk 349 at .75		261.75
		<hr/>
To Town Treasurer		\$715.25

The threat of rabies seems to be increasing in Vermont. So it is extremely important that all dogs within the Town of Weathersfield should be properly vaccinated. It is hard to understand how some people can love dogs and love people yet they disregard the importance of having their dogs vaccinated and licensed.

### LICENSING DOGS THIS YEAR STILL REQUIRES:

1. The owner or keeper of the dog to appear and sign the license stating the vaccination certificate for rabies presented is the one for the dog being licensed.
2. Dogs vaccinated at 4 months of age and certificates for rabies vaccination issued within 30 months of licensing. The rabies certificate or copy to be filed with town clerk.

A spaying certificate is necessary to license a dog as a spayed female. ALL DOGS FOUR MONTHS OF AGE MUST BE LICENSED. Fees for LATE licensing dogs are FIFTY PER CENT MORE THAN REGULAR FEE.

The Town Office in Perkinsville is open on Wednesdays and Thursdays from 9:00 a.m. - 5:00 p.m., excepting holidays. So please plan to come in person to license your dog . . . (Just as you - have to appear in person to sign your hunting license.) If you check the date of the dog's rabies certificate to make sure it is still within the 30 months it could save you a trip.

Elizabeth G. Murray, Town Clerk

## LOCAL GOVERNMENT In Weathersfield, Vermont.

As Tax Collector, I speak and correspond with many Weathersfield taxpayers. From this communication, I realize that many, including myself, do not fully understand the functions of our local government and the duties of the town officers.

This is an effort to correct the condition. I hope that it will help us all to become better citizens. Lack of time and space limited the number of offices covered in this write-up. With public approval, I will try to enlarge on the subject in later Town Reports.

This is not an official publication of the Town of Weathersfield. It is entirely the thoughts and opinions of the writer, based on a study of the State Statutes, the Officer's Manuals, and "Town Government in Vermont" by Professor Andrew Nuquist of U.V.M. I am grateful to Mr. Nuquist for permission to use his book as reference material. This is written with the advice and consent of the town officers involved. All legal definitions of the duties of town officers must be made from the Vermont Statutes Annotated.

John L. Hurd  
Perkinsville, Vt.

### Who Are "THEY"?

We often hear it said, "They raised my taxes." "They didn't fix my road." "They are spending too much money."

Who are "They"?

"They" are not a group of impersonal politicians with an established power base and a grip on the treasury. They are our neighbors. They are ordinary people who are willing to do a complex, and often unpleasant, job for the good of the town, and for small pay. They are freely elected by our Town Meeting and act on it's instructions. If they fall down on the job, the correction is at the ballot box, not in criticism without suggested alternatives.

In effect, "They" are all of us. If we can learn to transpose the words "They" and "We", we will have a better base for our local government.

## THE MODERATOR

The Moderator is the presiding officer at Town Meeting. He must be a man of tact and firmness. He must understand the rules of order and be able to enforce them with a minimum of confusion. He must be able to maintain decorum, and has the authority to order the Constable to remove from the hall anyone who creates a disturbance.

The success of a town meeting depends almost entirely upon the Moderator. If the meeting can proceed with a minimum of negative votes and confused issues, if every man can have his say with a clear understanding of the issues involved; then we have a satisfying and effective Town Meeting, and a good Moderator.

We can all help to make our Annual Meeting a success if we try to understand the questions at hand; perhaps disagreeing with the other fellow's viewpoint, but respecting his right to state it, and remembering that it is the last word that binds us all.

## THE TOWN CLERK

The Town Clerk is the town's recorder on the sands of time. And all that she writes becomes history. You are not officially born, married, or deceased until she has written you into the records of the town.

The duties and responsibilities of the Town Clerk are so many and varied that a manual of the statutes involved in her work amounts to a book of 266 pages.

The Town Clerk records all vital statistics and all deeds, mortgages and liens on property. She receives Vermont Property Transfer Returns, with the money returned to the Vermont Tax Department. She is responsible for issuing food stamps, with the money returned to the Department of Social Welfare. She issues fishing and hunting licenses, with the money returned to the Fish and Game Department. She issues dog licenses and all other licenses which originate at the local level, with the money going to the town.

The Clerk is the custodian of the Grand List, the check list of voters, and all town records. She acts as clerk for the Board of Civil

Authority. She certifies all Town Meetings and Elections, and must send a maze of reports to the County, State, and Federal governments.

The Town Clerk is, in effect, the signature of the town in all contacts between the town government and the public, and between the town government and all other branches of government, with the exception of legal and administrative matters which are the responsibility of the Selectmen, and fiscal matters which are the responsibility of the Treasurer.

We can all help to ease the burden of the Town Clerk's job by having all necessary information available and correct before contacting her for her services. Also, we should remember that she is not on duty all day, every day. She is at the town office from nine to five on Wednesday and Thursday, but may be contacted at her home for special services.

## THE SELECTMEN

The Selectmen hold a very complicated office. The listing of their duties is a fair sized volume. They are responsible, directly or indirectly, for just about every phase of our local government. The Statutes state that they "Shall have the general supervision of the affairs of the town and town school districts not committed by law to the care of any particular officer", and that covers a lot of ground.

The Selectmen have responsibilities in the fields of finance, taxation, law enforcement, highways, and negotiations with other levels of government. They must budget and expend all general and highway funds, including the money from State and Federal sources, most of which require a lot of accounting. They are responsible for the enforcement of local ordinances, and for the town's compliance with a lot of State and Federal regulations.

The Selectmen must make appointments to fill any vacant town offices or, failing this, do the job themselves. They must rely on all other town officers to give them full information and cooperation.

When we consider that this job has always been done by a group of three men, seldom men with executive training and none of them working full time, it is a wonder that the system has worked so well for so long. It is a tribute to the caliber of the men who have held the office.

But now the changing times have caught up with the office. The business affairs of the Selectmen have enlarged in scope and now require practically the full time effort of at least one of them. They must spend a lot of time in meetings and conferences during the day. A man who is working full time in industry or business simply cannot do the job.

The time has come when the town must have a full time trained executive head in the person of either a salaried Selectman or a Town Manager. The voters must decide. The alternatives are expensive and inefficient local government or a take-over of more local affairs by State and regional authorities.

## THE ROAD COMMISSIONER

The Road Commissioner is the supervisory foreman of our highway crew.

The Selectmen have the responsibility to "Lay out, alter, and discontinue highways." They also purchase all equipment used on the roads. They set up the budget for the money required to maintain the town road system. They estimate the amount of State funds available and set the amount of tax money needed. This money becomes the highway account in the Treasurer's books.

The Selectmen then supply the Road Commissioner with the necessary funds and equipment with which to do his job of keeping our roads in as good condition as possible, winter and summer.

The Road Commissioner hires his help, lays out the work schedules, supervises all jobs in progress, and puts in a full day's work driving or maintaining equipment.

The Commissioner also has to keep a good set of books as a record of the expenditures on the various projects. He writes the orders for payment of wages and supplies.

The jobs of the Road Commissioner and of the Selectmen are so closely related that there must be a good working relationship between them for the best results.

## THE LISTERS

Back in the days of the quadrennial appraisal, the Listers did not have too much to do. With a stable population, stable town expenses, and very few property sales, there was little change in the grand list from year to year. The Lister's work could be done in a short time, for small pay. Of course there have always been arguments. The first grievance probably concerned the listed valuation of a potash kettle.

Today's Lister is a busy and frustrated man. He must, by oath, conform to a vast array of State regulations. He must listen to the exhortations of the Tax Commissioner with one ear and to the anguished cries of his neighbor with the other, and try to speak with wisdom in between. He must try to find exact answers to the problems of an admittedly inexact science.

The simple judgment of today's Lister is not enough. He must work to a formula. He is expected to plug in a lot of plus factors and minus factors, prime acres and secondary acres and swamp acres, building costs and development costs, and the sale price of neighboring property; then to crank out a perfect and undisputable answer known as the "Fair Market Value." It is a tough assignment.

The Listers keep a lot of records. There is a file card system with detailed descriptions and photographs. There are drawn maps and aerial survey maps. There are transcripts of land transfers. It takes a lot of time just to keep the records up to date during the present hectic land boom.

The Listers need all of the help that we can give them. We can do this by making sure that the names and addresses are complete and correct, including zip codes, on all land transfers so that tax bills can be sent speedily and correctly. We can report all land sales to the Town Clerk without delay to keep the records up to date.

All Personal Property inventories must be in the hands of the Listers by April 20th , properly made out and signed.

Veteran's Exemption Certificates also have an April 20th deadline. Those concerned must have an understanding of the extent of their exemption according to their percentage of disability, and whether it covers real estate or poll tax only.

When making out the poll tax cards, we must remember that all residents of the town who are 21 years of age and over must be listed. Persons of 70 years and over are listed as having exempt status.

But most of all, if we disagree with the Listers, we must use the legal grievance procedures in the proper sequence, and without malice. We must give the Listers credit for having acted on the basis of legally required judgment, and not on basis of personal feelings.

## THE AUDITORS

During the year, the town officers spend a lot of money, sometimes more than what their budget calls for. The voters are naturally interested in where this money came from and where it went.

To supply this information, the town elects three auditors whose job it is to "Examine and adjust the accounts of all town and school district officers and all other persons authorized by law to draw orders on the town treasury." They must also verify all of the town's assets such as trust funds, investments, and cemetery funds. The accounts of the Treasurer and Tax Collector also have to be examined.

The Auditor's job is now less frustrating than it was back when an occasional order showed up scribbled on the back of an envelope or on the tag from a grain bag. The town officers now use modern accounting methods and proper records.

The Auditors also supervise the publishing of the Town Report. The month of January is a hectic one for the Auditors. They must collect and audit all accounts and have them in proper form to meet a February first deadline for the report to go to press.

The Weathersfield town reports have won prizes in the State Town Report contest in recent years.

## THE TREASURER

The Treasurer is the Town's fiscal agent. She is responsible for receiving and disbursing all of the monies involved in town government. Time was, when the Treasurer could spend an afternoon each week at her kitchen table and take care of all of the town's business. The job has now grown to the point of requiring two full day's work at the town office for both the Treasurer and the Assistant Treasurer, and a good many added days and evenings at home.

The Treasurer's job is basically one of bookkeeping and accounting, involving many separate categories and several checking accounts. Under their present set-up, the Treasurer takes care of the general and special accounts of the Selectmen and Highway departments, school building funds, and all banking. The Assistant Treasurer handles the books for the regular school accounts. But it requires the combined efforts of both to cover the entire job.

The public's main contact with the Treasurer is through the payment of taxes. The issuing of tax bills is the responsibility of the Selectmen, who hire the Treasurer to do the job.

Upon receiving the Grand List from the Listers, the Treasurer computes each tax against the established tax rate and sends each taxpayer a tax bill, stating the listed valuation, tax rate, amount due, and the conditions of payment.

After the due date, the Treasurer acts as collector of taxes until the date of delinquency, at which time she closes her books and sends a list of all unpaid taxes to the Tax Collector, along with a warrant ordering him to collect all delinquent taxes by all legal means.

The public can be of help to the Treasurer by immediately reporting any errors in tax bills, as they are required by law to do. If a poll tax is billed to one who is not liable for payment, or if a tax bill is for the wrong amount, the receiver should notify the Treasurer at once. If these things are allowed to go uncorrected until

the delinquency date, and they often do, it causes a lot of complicated book work and may cost both the taxpayer and the town some money.

## THE TAX COLLECTOR

After the delinquency date as stated on the tax bill, the Treasurer closes her books and sends the Tax Collector a list of all unpaid taxes. This delinquency date is rigidly enforced and applies to every account. It may seem brutal to charge fees and interest on a tax which comes in one day late, but it must be done to assure equal treatment for everybody.

The Treasurer receives .05 from each tax for making out the list and the Tax Collector's warrant. This is the origin of the Warrant Fee which puzzles many people when it shows up on a delinquent tax notice.

The Tax Collector figures the amount of each delinquent tax. He adds eight percent as a collection fee, the .05 warrant fee, and interest at the rate of  $1/2$  of one percent per month. He then sends a delinquent tax notice to each account on the first of each month.

The Tax Collector has no authority to change the amount of a tax or to remove it from his list. Once listed, a tax must be either paid or abated. This points up the importance of having all taxes which are in error corrected as soon as received. The Board of Civil Authority meets during December of each year for the abatement of uncollectable taxes. This is the only time when a tax can be removed from the list without payment. The Board will listen to only very good and legal reasons for abatement.

The Tax Collector has been criticized for not abating the 8 percent collection fee in some cases. He can not do this. If he abated it for one and not for all, he would be in a lot of trouble. There is some objection to the stern language of the Delinquent Tax Notice. The local collector has no control over this. The form is required by law.

After a poll tax has been delinquent for a reasonable time, the Tax Collector must, after legally required notice procedure, send the taxpayer's name and driver's license number to the Motor Vehicle

Department with a request that the license be suspended. This procedure is so well enforced and so well known that it seldom has to be used.

If other methods fail, the Tax Collector uses court action to collect delinquent taxes, with all court costs and legal fees added to the tax bill. Real estate taxes may be collected through the sale of the property involved.

Each year, the Collector becomes involved in unpleasant affairs having to do with property which has been sold during the year, with the buyer and seller squabbling over who is liable for the tax. Real estate taxes are the liability of the owner on April first. Parties involved in a real estate sale must make a tax agreement and settle the matter between them. Neither the Treasurer nor the Tax Collector can pro-rate taxes, but they are willing to help by supplying information.

## THE CONSTABLE

The office of Constable has its origin in English common law and has existed for many centuries. Down through the years, the duties of the office have varied with the times.

In early Vermont, the Constable was a very important town officer. He was charged with collecting and distributing all tax monies. He handled much of the town's correspondence. Most of the early communications from the state government and the legislature were addressed to the Constable.

Our present day Constable still has many duties connected with elections and town meetings. He is called in on neighborhood squabbles, breach of peace cases, and dog violations, but he is mainly concerned with regular police work. Today's rapid rise in the incidence of robbery, vandalism, and traffic accidents has increased the work of the Constable way beyond what it was ever intended to be. The Constable is always on call and almost constantly busy. The State Police often ask for his assistance in covering accidents on Interstate 91 until they can get to the scene.

Even with the help of the special officers which have been appointed by the Selectmen, the Constable's job is now too big to be a part time project. Whether we like it or not, our quiet rural community now needs the services of a full time, uniformed and well equipped police force.

## ROAD-NAMING COMMITTEE REPORT

In March 1969, the town voted to spend \$500 to have road-name signs made and erected. The road-naming committee obtained prices for signs and pipe from various sources and found that the signs available from the Vermont Prison Industries were the best choice. The pipe was purchased from Nick Marro, of Claremont.

The expenditures were:

40 road signs at \$4.75	\$190.00
40 pipe caps at \$1.10	44.00
40 lengths (11 ft.) of 2" gal. pipe at \$5.88"	235.20
Total	<hr/> \$469.20

The cement for setting the pipe was donated by Roger Eastman. The signs were installed by the Ascutney and West Weathersfield Fire Dept's. and the Selectmen.

We have on hand 7 lengths of pipe and 7 caps and 3 signs that have not yet been installed. (The extra four lengths of pipe are due to the fact that at a few crossroads 2 signs were able to be attached to one pipe). The unerected signs are for Perkins Hill, Bellows Road, and Upper Falls Road (which is a duplicate since the Village of Perkinsville has already put up a sign there).

There are 11 roads on our list which now have no road signs and there are about 5 new roads which have been accepted by the Town. These signs would be a convenience to the people of the Town but are not urgent. If the Town feels that it can afford to erect the rest of the signs the total cost would be:

Breakdown of costs:

18 signs at \$4.75	\$ 85.50
12 pipe caps at \$1.10	13.20
12 11 ft. x 2" gal pipe at \$5.88"	70.56
Total	<hr/> \$169.26

The road naming committee consists of Percy Bliss, Howard Johnson, Mike Kamel, Karl Stevens, Andrew Titcomb, Roy Windus, and Lois Cann.

Respectfully submitted,

Lois Cann  
Chairman

### **WEST WEATHERSFIELD VOLUNTEER FIRE DEPARTMENT, INC.**

On January 29, 1968 the West Weathersfield Volunteer Fire Department was organized and working with the Ascutney Fire Department, to furnish better fire protection for the town of Weathersfield.

It costs a lot of money to run a department with the equipment we now have. With the \$2,000 from the Town of Weathersfield Tax money and with proceeds from our hard work and fund raising projects, we now have this equipment to serve you; A 1952 Diamond T pumper; a 1955 Diamond T 1000 gallon tanker; a 1962 International pick-up; two portable pumps, pack pumps; generator and flood lights; hose and other hand tools.

We now have only one telephone number 263-5551 to report a fire and a call list to call firemen out faster.

The West Weathersfield Fire Department is now a member of the Connecticut River Valley Fire Mutual Aid Association. The Ascutney Fire Department also is a member. We have three two-way radios and Ascutney has one, so we have radio connection with each other and with Mutual Aid center in Springfield.

This year the department responded to all calls; two car fire, two chimney fires, two brush fires, one trailer fire and three out of town fires. We held 12 business meetings and about twenty-five drills and work nights when needed.

Officers of the West Weathersfield Fire Department:

Chief	Clarence Grover
Deputy Chief	Dennis Richardson
Ass't Chief	Ronald Lockwood
Captain	Kerry Stapleton
Lieutenant	Allen Churchill
Secretary - Treasurer	Kenneth Murray

Trustees

Warren Child
Leslie Spencer
Russell Aldridge
Allan Hazeltine
Leroy Guyette

Reported by;  
Clarence Grover, Jr. -- Chief

TREASURER'S STATEMENT FOR 1969  
West Weathersfield Volunteer Fire Dept. Inc.

RECEIPTS:

Balance on Hand 1-1-68	\$ 2,170.27
Reimbursement for fires by Town of Weathersfield	317.40
Appropriation by Town of Weathersfield	2,000.00
Donations	255.00
Reimbursements for Article's bought	183.12
Fund Raising No. 1.	1,169.14
Fund Raising No. 2.	1,166.50
Fund Raising No. 3.	393.00

## Taxpayers of Weathersfield, Vermont

The enclosed balance sheet shows our operation for 1969. The \$2,000.00 received from the town was spent wisely so that, together with the West Weathersfield Volunteer Fire Department, the whole town now has fire protection. We still have fund raising projects to help with additional necessary equipment.

We were most fortunate in locating an excellent 500 GPM pumper which carries 1,000 Gals. of water. When fitted with additional items to meet our needs this truck will be a big asset for the protection of property in Weathersfield.

In 1969 we had 15 fires and 29 meetings and drills. There are 26 active members in our department. We continue to look ahead and plan our operation and equipment so we will be ready when you need us. Your suggestions and help are most welcome.

Ascutney Volunteer Fire Assoc.,

Henry C. Cobb, Chief

## **The Health Officer's Report for 1969**

The diseases reported to me to be reported to the State Health Department were as follows:

Chicken pox, 14 cases; Measles, 3 cases; Scarlet Fever, 1 case; Mumps, 2 cases; Dog bites, 6 cases.

Had several complaints of sewage disposal problems. Helped out with different clinics held in Ascutney and Perkinsville. Disposed of food that had thawed from freezer in Ascutney School.

It has been reported from State Department of Health that water samples have not been sent in for analysis from Ascutney Water System for the period August 7, 1969 to November 26, 1969.

In order to help prevent some of the public intestinal upsets, etc, these samples should be submitted at least twelve times a year.

It has been requested from State Department of Health that local health officer, in case of housing developments, to make certain that 20,000 and 40,000 square foot lot size regulation be adhered to, in case of trailer parks that the plans for water and sewage, etc. be submitted to the State Health Department prior to the development starting. Consequently, if developments are progressing without approval, it is possible for the local health officer to prevent this from continuing until he has been assured that such approval exists. It is much easier to prevent a health hazard than it is to correct it.

Respectfully submitted,

Elsie Johnson, LPN  
Health Officer

## THE SCHOOL BOARD

The School Directors are actually officers of the State of Vermont. They are officers of the Weathersfield Town School District and the Windsor Southeast Supervisory Union, both of which are subdivisions of our State Government.

The School Directors and the Selectmen are the heads of two entirely separate organizations, each with its own responsibilities, authority, and budget. The Treasurer serves both organizations, but with separate bank accounts, records, and accounting systems.

The School Board is a legislative, or executive, body. Its duty is to determine the educational requirements of the town and to establish a system to meet the need, subject to the wishes of the voters, the State regulations, and the amount of money available. Having established policies as to curriculum and administration, they turn the actual management of the system over to the Superintendent.

The Superintendent and his assistant are hired by the Supervisory Union Board, consisting of the School Boards of the towns of Hartland, West Windsor, Weathersfield, and three members from the Windsor Board. The Superintendent is responsible for the functioning of the school systems of the four towns. He maintains an office and staff in Windsor.

The Superintendent's office does the bookkeeping for the Weathersfield School Board. The office staff keeps all records, makes all purchases, and receives all bills. They make out the orders for salaries and bills payable, and submit the orders to the School Board for approval and signature before the orders go to the Treasurer for payment.

The School Board and the Superintendent each have their own roles to play in the running of our school system. They are so dependent upon each other that they must act with complete cooperation and confidence. In actual practice, the Superintendent attends School Board meetings and supplies much of the information required by the Board in the making of decisions. Most of the Board's decisions, including the budget, are made with the advice of the Superintendent.

Our School Directors are the contact between the public and the school system. They can listen to the opinions of the towns people and make decisions accordingly. Only through public opinion can they learn whether they are doing their job according to the wishes of the voters. For this reason, they ask for committees to advise them on matters of curriculum and building problems.

It is important for us to realize that no one School Director can take action alone. Decisions must be made by the Board at an official meeting. We can help the School Board by making sure that any problems or suggestions which we may bring to them are well thought out and well explained.

## SCHOOL DIRECTORS' REPORT

We submit the following report to the citizens of the Weathersfield Town School District:

### ASCUTNEY SCHOOL

School children in Ascutney moved into a bright, new school addition. The new building library here has nearly doubled the use of library books as compared to last year, while the new, multi-purpose room has resulted in increased community use of the building.

The primary grades at Ascutney have been increasing enrollments (as high as 35 in Grade 1 during January, 1970) thus an additional, full-time teacher will be required for next year. A part-time teacher was employed in January 1970 to help teach phonics and reading to a part of the first grade. Grade four moved into the "extra" room in the new section leaving their old room for the use of the primary grades.

Through the courtesy of the Claremont Cable T.V. Company, the Ascutney School has three, new cable connections. The school is now receiving educational channels 2 from Boston and 11 from Durham, N. H. This is in addition to the Vermont Channel 41.

The P.T.G. and Boy Scouts have completed, except for planting, the memorial to Mrs. Iris Way. The memorial will consist of a stone wall surrounding the birch tree located in front of the building.

The construction of the new addition necessitated the movement of almost all playground equipment. This equipment, along with some new equipment, was relocated by some of the School's fathers. We are especially grateful for the generous help we received with moving and reinstalling of the Ascutey School playground equipment.

The Ascutey School joined several other schools in the area in participation in the Mt. Ascutey Ski program for elementary schools.

### PERKINSVILLE SCHOOL

The curriculum up-dating at Perkinsville is continuing toward an individualized program of instruction, with continued thoughts toward the non-graded program that we began planning during the 1968-1969 school year.

We are trying an afternoon program with a "Broad Fields" approach in which two teachers work together in a Language Arts Program with 7th and 8th graders. The program has met with a certain degree of success in that students have shown an interest in dramatics and have put on some very fine plays in the all-purpose room. The fifth and sixth grades are working on a similar program.

We are also fortunate to have a creative arts program whereby the boys have even tried their hand at such activities as baking cakes, and the girls have been able to do some sewing.

Mr. Sczerba's feeling in regard to a school building is that it should be in use as much as possible, therefore, he was delighted when interested parents offered to start an evening basketball program for the boys of Grades 5 through 8.

Grades 1 through 3 have been working on revising the reporting system so the parents can better understand what their child is doing in school.

A special note of appreciation is certainly due the Parent-Teacher Organization of both schools for their tireless and very helpful work.

**WARNING  
FOR WEATHERSFIELD TOWN MEETING**

**TUESDAY, MARCH 3, 1970**

The legal voters of the Town of Weathersfield and Town School District are hereby notified and warned to meet at the MULTIPURPOSE ROOM IN THE ASCUTNEY ELEMENTARY SCHOOL IN THE TOWN OF WEATHERSFIELD, VERMONT on Tuesday, MARCH 3, 1970 at 10:00 a.m. to vote by ballot for Town Officers, Town Manager and appointment of a Road Commissioner as follows:

Article 1. To elect Town Officers by Australian Ballot. The ballot box will open at 10:00 a.m. and close at 6:00 p.m. and will take place at the MULTIPURPOSE ROOM IN THE ASCUTNEY ELEMENTARY SCHOOL.

Article 2. Will the Town vote to take advantage of the provisions of Chapter 37 of Title 24 of the Vermont Statutes Annotated and authorize the Selectmen to employ a Town Manager? (By Australian Ballot)

Article 3. To see if the Town will authorize the Selectmen to appoint a Road Commissioner? (By Australian Ballot) AND TO MEET AT 7:30 p.m. at the MULTIPURPOSE ROOM IN THE ASCUTNEY ELEMENTARY SCHOOL IN THE TOWN OF WEATHERSFIELD TO TRANSACT THE FOLLOWING BUSINESS:

Article 4. To act upon the reports of the Town Officers for the year ending December 31, 1969.

*as amended*

Article 5. To see if the Town will vote to authorize the Selectmen and School Directors to borrow money, if necessary, to pay current expenses in anticipation of taxes.

*yes*

*yes*

Article 6. To see what the Town will vote to pay Town Officers for their services and travel expenses.

*missed last year*

Article 7. To see if the Town will vote to print in the Town Report the names of delinquent taxpayers and amounts due from each.

*yes*

Article 8. To see if the Town will vote to appropriate \$1,200.00 for the Proctor Library and the Perkinsville Branch; \$50.00 of this sum to be used for the purchase of books for the War Memorial Library.

Article 9. To see if the Town will vote to appropriate the sum of \$4,000.00 to be divided equally between the West Weathersfield Volunteer Fire Department and the Ascutney Volunteer Fire Department for operation, equipment and buildings.

Article 10. To see if the Town will authorize the Selectmen to borrow up to \$55,000.00 in anticipation of Federal Aid from the Office of Emergency Preparedness to complete repairs from flood damages.

Article 11. To see if the Town will vote to appropriate the sum of \$3,000.00 to be matched by \$6,000.00 in State funds for construction on State Aid roads?

Article 12. To see if the Town will vote to authorize the Selectmen to appropriate a sum not to exceed \$200.00 for the purpose of road signs to be installed in Weathersfield. (By request of the Sign Committee.)

Article 13. To see if the Town will appropriate \$150.00 to be used for the 1970 Memorial Day Parade by a Committee appointed by the Selectmen.

Article 14. To see if the Town will vote to authorize the Selectmen to appoint a Chief of Police for the Town of Weathersfield.

Article 15. To see if the Town will vote to stabilize the Fair Market Value of the real estate and buildings of the Connecticut River Grange Number 518 and the Hawks Mountain Grange Number 499 at \$4,000.00 each? (By request)

Article 16. To see if the Town will authorize the School Directors to install required improvements in fire detecting devices, fire protection systems, smoke detectors, new fire wall around furnace in Old Brick Building (Perkinsville), shut-offs for fuel lines from tanks to furnace, at a cost not to exceed \$8,000.00, less anticipated 30 per cent State Aid.

Article 17. To see if the Town will authorize the School Directors to have an area back of the Perkinsville School black-topped at a cost of \$1,500.00 less anticipated 30 per cent State Aid.

Article 18. To see if the Town will authorize the School - Directors to change their fiscal year from January 1st - December 31st, to July 1st - June 30th, to coincide with other towns in the District, and the State fiscal year?

Article 19. To see if the Town will appropriate the sum of \$300.00 for the Windsor County Mental Health Service Corporation? (Funds from state \$600.00).

Article 20. To see if the Town will vote to authorize the Selectmen to appropriate \$400.00 for the Lebanon Regional Airport Authority? (By request)

Article 21. To see if the Town will vote to appropriate the sum of \$2,000.00 to support the Visiting Nurses Association? (By request.)

Article 22. To see if the Town will vote to start its annual meeting at 7:30 o'clock in the afternoon of the day before the first Tuesday of March to transact at that time any business not involving voting by Australian ballot or voting required by law to be by ballot and to be held on the first Tuesday of March. The meeting so started to be adjourned until the following day according to V.S.A. Title 24 Section 702 amended 1961.

Article 23. To see if the Town will take advantage of Title 24-Section 714 V.S.A. amended and elect two additional selectmen to serve one year terms. (By request)

Article 24. To see if the Town will instruct the auditors of the Town to employ the services of an accountant from the office of the auditors of accounts as provided for in Title 24, Section 1692-1697 to conduct an audit of the accounts of the Town?

Article 25. To see if the Town will direct the Listers to classify clearly in the Grand List Book the types of all personal property appraised. (By request)

Article 26. To see if the Town will appropriate a sum of \$1,850.00 as a standby fee for the Golden Cross Ambulance Service of Claremont, New Hampshire?

Article 27. To see if the Town will vote to collect taxes in the manner provided by statute:

To pay taxes to the Town Treasurer.

To have poll taxes due August 1st all delinquent poll taxes payable to the tax collector with interest at the rate of one half of one percent per month and collection fees added.

To have real and personal property taxes due August 1st and to be paid in two equal payments. The first payment delinquent after September 1st and to be paid in two equal payments. The first payment delinquent after September 1st, and the second payment delinquent after December 1st. And to charge interest at the rate of one-half per cent per month on delinquent taxes.

All unpaid real and personal property taxes to be turned over to the tax collector after December 31st.

Article 28. To transact any other business necessary and proper. Dated at Weathersfield, Vermont, January 31, 1970.

# **TOWN OF WEATHERSFIELD**

## **Annual Report 1970**

**Col. William J. Wilgus**

(from the Claremont Daily  
Eagle, October 24, 1949)

Colonel William J. Wilgus, a courtly gentleman of the old school, was an internationally-famous civil engineer and one of Weathersfield's most distinguished residents.

Colonel Wilgus, joined by his wife, Gertrude B. Wilgus, both of Weathersfield, on the 27th of January, 1933 deeded to the State of Vermont about 150 acres of land in Weathersfield "to be forever maintained and preserved as a State Forest Park and kept open to the public for recreational purposes" according to the record in Vol. 28 on pages 249-250 of the Weathersfield Land Records. So a delightful surprise awaits travelers along U.S. Route 5 who stop at Wilgus State Park Camping Area bordering the Connecticut River.

Because of the Colonel's foresight they will have an opportunity "in peace and quietude fully to enjoy the river frontage, open spaces and woodland on said tract of land in their natural picturesque setting." Stone fireplaces and picnic tables are provided and camping facilities are available in this lovely woodland area bordered by the Connecticut River in Weathersfield.

Among Colonel Wilgus' accomplishments these should be noted: An achievement among many of which the Colonel was modestly proud was the "transformation and transfiguration" of the New York Central from 70 years of "heterogeneous weakness" to strength, culminating in his creation of Grand Central Terminal.

He built a tunnel in sections and sank them in the Detroit River where they were joined together under water. As deputy general of transportation in the American Expeditionary Forces 1917-1919, he was commended by the late General John Pershing, his personal friend, and was awarded the Distinguished Service Medal.

"He dreamed the dream of the New York Port Authority. The vast Pulaski skyway over the Elizabeth marshes in New Jersey, the Holland Tunnel and the West Side Superhighway in New York City - all these, and more, were the product of Wilgus' genius in one degree or another," so wrote John McLane Clark following the death of Colonel Wilgus, on October 25, 1949 in Claremont, N.H. where he had moved in 1946. He was 83.

While living in New York in September 1922, Colonel Wilgus had

## Elected at General Election November 3, 1970

Justices of the Peace (Term for two years: February 1, 1971 to January 31, 1973)  
Percy I. Bliss, Norman J. Corey, Robert C. Follett,  
Charles A. Murray, Walter O. Murray, William C. Waite,  
Herman S. Young

Reapportioned House: District 53 (Cavendish-Weathersfield)  
Representative elected at General Election, November 3, 1970  
Henry N. Hicks of Weathersfield

Each year in March, town officers meetings are held to update information concerning the duties of these officers. The meetings also provide opportunity for town officers to become acquainted with State officials and officers from other towns. Meetings in 1971 near Weathersfield are:

March 9 Town Hall, Bellows Falls  
March 10 Municipal Building, Woodstock

Newly elected Listers are especially urged to attend these meetings. Registration starts around 9 a.m.

## Town Meeting, Tuesday, March 3, 1970

The legal voters of the Town of Weathersfield and the Town School District met at the Multipurpose Room in the Ascutney Elementary School in the Town of Weathersfield, Vermont at a legally warned meeting and began at 10 a.m., Tuesday, March 3, 1970 to act on the first three articles of the Warning.

Melvin Butterfield, Moderator, read the Warning and declared the ballot boxes open for the first three articles. Robert Z. Gale, First Constable, was on duty. The ballot boxes were declared closed at 6 p.m. by the Moderator and the meeting adjourned until 7:30 p.m.

The Weathersfield Board of Civil Authority began tallying the votes.

At 8:05 p.m. Melvin Butterfield, Moderator, reconvened the meeting and began with article 4 to read the Warning. Then he announced the results of the balloting:

Article 2. Voted Yes 186 to 174 No to take advantage of the provisions of Chapter 37 of Title 24 of the Vermont Statutes Annotated and authorize the Selectmen to employ a Town Manager.

Article 3. Voted Yes 262 to 93 No to authorize the Selectmen to appoint a Road Commissioner.

Article 1. To elect Town Officers by Australian Ballot. Results of balloting:

Selectman for 3 years:

Robert G. Brogdale	131 votes	declared elected
Kenneth A. Domey	65 votes	
Raymond E. Denault	106 votes	
Irving A. McCoy	63 votes	
Spoiled ballots	8	

Total cast 373

School Director for 3 years:

Peter M. Daniels	278 votes	declared elected
Joan P. Mead	88 votes	
Blanks	4	
Scattering	3	

Moderator for 1 year:

Melvin R. Butterfield 366 votes

Town Clerk for 1 year:

Elizabeth G. Murray 352 votes

Lister for 3 years:

Frank W. Brown 249 votes declared elected

Erna Polle 107 votes

Town Treasurer for 1 year:

Irene P. Hoyt 355 votes

Tax Collector for 1 year:

John L. Hurd 356 votes

Road Commissioner for 1 year:

Howard L. Johnson 272 votes

Auditor for 3 years:

Josephine L. Brigham 179 votes declared elected

Rebecca W. Connor 166 votes

First Constable for 1 year:

Robert Z. Gale 349 votes

Second Constable for 1 year:

Dennis G. Richardson, Sr. 214 votes declared elected

Arthur T. Connor 93 votes (as a write-in)

Trustee of Public Money for 3 years:

Helen W. May 342 votes

Cemetery Commissioner for 5 years:

Celia P. Martin 353 votes

Town Grand Juror for 1 year:

Leon M. Cleveland 342 votes

Town Agent for 1 year:

Andrew A. Titcomb 335 votes

Library Trustee for 5 years:

Eliza J. Connor 347 votes

New Selectman, Robert G. Brogdale, was sworn into office by the Town Clerk, a Notary Public.

Melvin Butterfield made several announcements including the Town Officers Educational Conferences on March 10 in Bellows Falls and on March 11 in Woodstock. He read a

letter requesting that officials be sure the firehouses are plowed out immediately after snowstorms. He also read a letter praising Constable Robert Z. Gale for diligence in tracking down persons who have broken into several places in Weathersfield and Springfield.

He announced all proposed amendments to articles in the Warning were to be presented in writing.

Four retiring town officers were presented copies of Vermont, A Special World. They included Mrs. Helen W. May, who served so well as a School Director from 1963 to 1970 and is still a Trustee of Public Money and an Assistant Town Clerk; Perley L. Hoyt, retiring Lister after three years and in his younger days an Auditor and School Director; Irving A. McCoy, who served faithfully as a Selectman from 1957 until the present and before that was a Lister. A delayed thank-you was given to Richard A. Connor, who was absent from the meeting, who had served conscientiously as a School Director from 1952 to 1961 and as a first or second Constable from 1953 to 1968.

Roald Cann, a former School Director, made the presentations and quoted the Rev. Robert C. Yoh's words, "The character of individuals is what has fashioned Weathersfield ever since her charter was granted...and is what has fashioned her peculiar and particular character." "If we recognize that the character of our local government, so highly prized in Vermont, rests upon the character of individuals, then we are well along the road to good government. We have with us some of these people, who recognize these things. Some whom we have put in office. So we show them some of our gratitude and thanks."

Roald Cann also reported for the Zoning Study Committee (Peter Daniels, Stanley Flagg, Mrs. Joan Mead, Byron Parry, and Roald Cann as chairman). They presented a series of six articles through the news media ending with a questionnaire which they requested residents to answer and return to the committee. So far the response has been very small, Cann said. These answers are needed to get a fair idea of the wishes of the people as to zoning.

Article 4. To act upon the reports of the Town Officers for the year ending December 31, 1969. Voted to consider it after Article 26.

Article 5. Voted to authorize the Selectmen and the School Directors to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 6. Voted to pay town officers the same as we paid last year. (To pay Town Officers, with the exception of the Treasurer and the School Directors, \$1.75 a hour and 10¢ a mile for travel while on town business. The Treasurer to receive a 20% increase on her 1968 salary of \$2,700.00 which included travel expenses.)

Article 7. Voted to print in the Town Report the names of delinquent taxpayers and amounts due from each.

Article 8. Voted to appropriate \$1,200.00 for the Proctor Library and the Perkinsville Branch, \$50.00 of this sum to be used for the purchase of books for the War Memorial Library.

Article 9. Voted to appropriate the sum of \$4,000.00 to be divided equally between the West Weathersfield Volunteer Fire Department and the Ascutney Volunteer Fire Department for operation, equipment and buildings. Voice vote.

Article 10. Voted to authorize the Selectmen to borrow up to \$55,000.00 in anticipation of Federal Aid from the Office of Emergency Preparedness to complete repairs from flood damage. Voice vote.

Article 11. Voted to appropriate the sum of \$3,000.00 to be matched by \$6,000.00 in State funds for construction of State Aid roads. Voice vote.

Article 12. Voted to authorize the Selectmen to appropriate a sum not to exceed \$200.00 for the purpose of road signs to be installed in Weathersfield. Voice vote.

Article 13. Voted to appropriate \$150.00 to be used for the 1970 Memorial Day Parade by a committee appointed by the Selectmen. Voice vote.

Article 14. Article amended to read, "To see if the town will vote to authorize the Selectmen to appoint the First Constable as Chief of Police for the Town of Weathersfield." Voted to amend the article. Then voted to accept the article as amended. Voice vote.

Article 15. Voted to stabilize the Fair Market Value of

the real estate and buildings of the Connecticut River Grange 518 and Hawks Mountain Grange 499 at \$4,000.00 (five years understood). Voice vote.

Article 16. Voted to authorize the School Directors to install required improvements in fire detecting devices, fire protection systems, smoke detectors, new fire wall around furnace in Old Brick Building (Perkinsville), shut-offs for fuel lines from tanks to furnace, at a cost not to exceed \$8,000.00 less anticipated 30% State Aid. Voice vote.

Article 17. Voted to amend the article to read, "To see if the town will authorize the School Directors to have an area at the Perkinsville School blacktopped (area to be decided upon by School Directors) at a cost of \$1,500.00 less anticipated 30% State Aid." Voted to adopt the amendment by a standing vote, 105 Yes to 84 No. Then voted to adopt the article as amended, voice vote.

Article 18. Voted to amend the article to read, "To see if the town will authorize the School Directors to change their fiscal year from January 1 - December 31 to July 1 - June 30. This change to take effect in 1974. A sinking fund will be set aside during 1970-1971-1972 and 1973 using \$.80 from the tax rate for the purpose of covering the cost of this change." John T. Jensen proposed the amendment, which was seconded and so voted. Then the motion was made and seconded to accept the amended article. Voice vote, Yes.

Article 19. Voted to appropriate the sum of \$300.00 for the Windsor County Mental Health Services, Inc. Standing vote, 90 Yes to 74 No.

Article 20. Voted not to authorize the Selectmen to appropriate \$400.00 for the Lebanon Regional Airport Authority. Voice vote.

Article 21. Voted to appropriate the sum of \$2,000.00 to support the Visiting Nurses Association. Voice vote.

A ten minute interlude for coffee.

Article 22. Voted to start the annual meeting at 7:30 o'clock in the afternoon of the day before the first Tuesday of March to transact at that time any business not involving voting by Australian ballot or voting required by law to be by ballot and to be held on the first Tuesday of March. The

meeting so started to be adjourned until the following day according to Title 24 Section 702 V.S.A. amended 1961. Voice vote.

Article 23. Voted to take advantage of Title 24 Section 714 V.S.A. amended and elect two additional Selectmen to serve one year terms. Voice vote. There was a motion to amend the article to include two additional School Directors. The legality of this motion was questioned and the motion was turned down.

Article 24. Voted not to instruct the Auditors of the Town to employ the services of an accountant from the office of the Auditor of Accounts as provided for in Title 24 Section 1692-1697 V.S.A. to conduct an audit of the accounts of the Town. Voice vote.

Article 25. Voted to direct the Listers to classify clearly in the Grand List Book the types of all personal property appraised. Voice vote.

Article 26. Voted to appropriate the sum of \$1,850.00 as a standby fee for the Golden Cross Ambulance Service of Claremont, New Hampshire. Voice vote.

Back to Article 4. Article amended to read, "To act upon the reports of the Town Officers for the year ending December 31, 1969 and to make necessary appropriations for schools, highways and all other purposes for which the law requires appropriations or the Town may legally vote." Voted to accept the amendment to the article. Then voted to accept the article as amended. Voice vote.

During the discussion preceding the vote the School Directors asked for \$289,109.53 with an estimated \$4.44 School Tax and \$.80 Sinking Fund. The Selectmen asked for \$84,037.00 with an estimated \$1.28 tax. This could make an estimated total tax rate of \$6.52 on an estimated Grand List of \$65,000.00.

Article 27. Mrs. Irene P. Hoyt offered the following amendment: "To see if the Town will vote to collect taxes in the manner provided by statute: to pay taxes to the Town Treasurer. To have poll taxes due August 1st, delinquent after September 1st. To have real estate and personal property taxes due September 1st and delinquent after December 1st. To charge interest on delinquent taxes at the rate of one-half of one percent per month or fraction thereof." It

was voted to amend the article. Then the motion was made and seconded to adopt the article as amended. Voice vote, "Yes."

Article 28. Mrs. Hoyt said she wanted to praise the article in the Town Report on Town Officers' Duties, written by John Hurd, and give him a vote of thanks.

Meeting adjourned at 10:45 p.m.

Attest: Elizabeth G. Murray  
Town Clerk

## Auditors' Statement

In accordance with Section 3593 V.S.A. as amended, we have verified the existence of stated cash balances and inspected all securities, and to the best of our knowledge the following financial statements and reports of receipts and disbursements present the financial position of the Town of Weathersfield, Vermont, on December 31, 1970.

We would like to commend the Town's decision to hire a Town Manager to direct Weathersfield's business. With the knowledge his job requires, the Town Manager, working with the Selectmen, can oversee the Town's affairs more efficiently than separate department heads working alone can.

The adding machine used by the auditors is inadequate for our needs. We would like to suggest that it be sold and another be bought which totals to ten digits.

The school budget set up by the Windsor Southeast Supervisory District office was received too late for us to verify the final figure of \$7,581.04 as 1969 payables actually paid in 1970.

We feel that with a few adjustments the method of accounting used by the Windsor office is the correct method of presenting the actual picture of Weathersfield's school department financial activities. This office, acting under the direction of Weathersfield School Directors, can do the necessary bookkeeping required, with the exception of the Town Treasurer's handling of the actual receipts and disbursements through the checkbook.

Miscellaneous receipts shown by the Treasurer include, for example, \$304 and \$33.75, each an overpayment, which were received by the Treasurer. These should have been deducted from Contracted Services and Longterm Debt Repayment, respectively, but were not, by Windsor's bookkeeping system. We suggest a control cash ledger be kept at Windsor with receipts shown as debits and if any overpayments are made they should be posted "in red" to the correct accounts payable ledger to show a true balance of money unexpended on each ledger.

To avoid future confusion when viewing the Grand List book, we suggest that the Listers set down all corrections made after the State Audit (in July) and that they be entered in the back of the book as well as on the proper page with the date of correction and the initials of the corrector placed beside the corrected figure. We

suggest the Listers enter exempt property figures in a separate column titled "Exempt" and marked as to whether it is personal property or real estate, and total this column separately. To simplify bookkeeping, we suggest all columns in the Grand List book be totaled and page totals carried forward to produce a grand total for each category of property.

We note that the Treasurer is the only person who has complete knowledge of the important phases of Town monies such as Bonds and Securities. We suggest, in the interest of the Town, that, Vermont statutes and local laws permitting, at least one other person be initiated into these duties.

Barbara Lockwood  
 Rebecca W. Connor  
 Auditors  
 Dorothy L. Grover, hired  
 to assist in the absence  
 of Josephine Brigham

## Selectmen's Report

The Board of Selectmen held twenty-four regular meetings this past year with near-perfect attendance. We also held several special meetings. One of these was held at the Town Hall in April. It was voted at this meeting to by-pass the maple grove with the Center Road and save this historic site for future generations to enjoy. The land for relocation was given to the Town by Miss Annie Green, Mr. William Green, the Weathersfield Historical Society, and the First Congregational Church of Weathersfield.

Interim Zoning was adopted by the Board of Selectmen and became effective on January 1, 1971. A copy of this ordinance appears in this Town Report.

The adoption of a town manager system of government at last year's Town Meeting, which the Selectmen put into effect on September 1, has brought about certain realignments in job responsibilities. We feel that these changes will streamline our Town government, and, in the long run, save the Town of Weathersfield money. The Town Manager is cooperating closely with the Selectmen to implement a good working town governmental system. We look forward to the addition of two more members to the Board of Selectmen. They will bring new ideas and diversification to our Board.

Regarding the budget, which the Selectmen have submitted for your consideration, we have tried to stabilize our costs and still meet the needs of the Town. One of the departments showing an increase over last year is the Police Department. When we consider the 1970 Census figures and find that Weathersfield has a population of more than 2,100, we can see that such needs and services become greater. One of the new services provided by the Police Department is a 24-hour answering service for all emergency calls in Weathersfield. We have also included in the budget this year an appropriation for the Visiting Nurses Association, as well as for ambulance service. Both of these services are vital to our rural community.

Green Up Day was a huge success in Weathersfield as a result of the fine organizational plans provided by our volunteer fire departments and the many children and adults who volunteered their labor. We want to thank the Taxpayers Association for their cooperation and the interest they have taken in our town government.

The roads in Weathersfield are in good condition and will be even better as we continue our improvement program. The town equipment is holding its own, but will require servicing and overhauling this spring. Town equipment is used constantly and requires continuous maintenance. We have established a program of inventory, maintenance charts and employee time cards in order to keep control of the equipment's life-cycle and use.

Due to the geography of the town, communication is often difficult, and therefore we need your help in bringing to our attention the needs of the town. Please feel free to contact the Town Manager at any time. Our Town Office is now open and staffed five days a week.

Selectmen of Weathersfield

Henry N. Hicks, Chairman  
Raymond Denault  
Robert Brogdale

## **Town Manager's Report**

The duties and responsibilities of the Town Manager are prescribed by law. They involve carrying out the decisions of the Board of Selectmen, supervision of town highway and town police departments, care of all town public buildings except those specifically excluded (such as schools), supervision of the town dump, charge of all purchases by the town, preparation of the budget, and working with the State Welfare Department. Incident to these is keeping the books for the Selectmen as well as those for the Highway Department.

In the four months that I have served as Town Manager, several changes have been made. The Town Office will now be open and staffed five days a week from 9 a.m. to 4 p.m. with no additional personnel or cost. An Interim Zoning ordinance was adopted effective January 1, 1971 by the Selectmen, and will be administered by the Town Manager. This action was necessary because of the rapid and uncontrolled growth of our town, which can lead to serious problems, specifically water, sewage and taxes, in the very near future. Land development and the necessity for new town roads to serve these areas make this limited zoning plan necessary.

A financial saving in the Highway Department has come from making use of the State of Vermont contract so we may purchase

regular gasoline for our town vehicles at 22.9¢ per gallon.

Our Police Department costs have risen sharply. Our action at Town Meeting last year providing for the appointment of a Chief and setting up a department made us eligible for federal funding so that we are now to be included in the State Communication set-up soon to be in effect. This will aid not only in law enforcement but also during a disaster or crisis. Growth in Weathersfield has brought the problems that go with it and increased vandalism, breaking and entering, and routine investigations and patrols are necessary. One of the benefits of the federal funding was that our Police Chief became eligible to attend a law-enforcement school at Babson College at no cost to the Town.

I have attended all seminars and meetings provided by various State agencies for selectmen and town managers, as well as attended the crime control seminar. In light of these and how the information gained can be used in Weathersfield, I can see several areas that would apply to us. If the growth pattern predicted for Weathersfield actually materializes, our first problem will be a good water supply for our populated areas, particularly Ascutney. Going hand-in-hand with this will be the need for adequate sewage disposal. We must plan for these necessities. Federal funds are available, but we must be a member of our Regional Planning Commission if we are to be able to take advantage of such funding. Dues this year are \$102.00, which I consider a bargain for Weathersfield. Secondly, the Police Department must be organized and financed to meet the needs of this growing area. More and more services and protection are being demanded by our citizens daily. Immediate plans for the future call for a junk car clean-up in the spring. I would remind Weathersfield residents that Hodgdon Brothers have generously offered to pick up junk vehicles at no cost to Weathersfield residents.

I would like to remind our senior citizens on limited income that there are several programs available for their assistance. The Vermont State Tax Department urges all citizens over 65 years of age whose property taxes are more than 7% of their income to take advantage of the Senior Citizens Tax Relief. Forms are available at the Town Office and I will be glad to help anyone eligible apply for a rebate.

Karl Stevens

## Selectmen's Budget - 1971

Totals	\$110,074.80	\$94,706.00	\$93,539.78

We had hoped by the time the town reports went to print to be able to report that final payment had been received on the storm and flood damage to our highways in July 1969. However, we have not yet received final payment.

Work was completed on July 2, 1970 and the State Highway Department inspected and approved the repairs on July 9, 1970. Soon after this our books were audited and approved by the State Auditors

Mr. Holmes, Civil Defense Director, tells me that some of the towns involved in the area disaster have not yet been able to prepare their books for audit. Therefore, the total final payment to Vermont towns has been held up. However, this is expected to be cleared up soon.

You will note that we did not receive the total estimated damage cost. Some of the work had been started before the first State inspection of damage and estimate was made and we were not eligible for payment for work done by the National Guard and regular town employees.

We received an advance from the Emergency Preparedness in the amount of \$55,000.00, and a note from the First National Bank in Springfield in the amount of \$40,000.00 authorized by vote at Town Meeting 1970 is outstanding.

Karl Stevens, Agent

## Dog Licenses Issued 1970

<u>On time</u>		
154 males	@ \$2.00	\$308.00
62 females	@ 6.00	372.00
109 spayed females	@ 2.00	218.00
<u>Late</u>		
32 males	@ 3.00	96.00
8 females	@ 9.00	72.00
15 spayed females	@ 3.00	45.00
<u>Half year</u>		
1 female	@ 3.00	3.00
381 dogs licensed		\$1,114.00
Fees to Clerk	381 @ .75	285.75
To Town Treasurer		\$ 828.25

Licensing Dogs this year still requires:

1. The owner or keeper of the dog to appear and sign the license stating the vaccination certificate for rabies presented is the one for the dog being licensed.
2. Dogs vaccinated at 4 months of age and certificates for rabies vaccination issued within 30 months of licensing. The rabies certificate or copy to be filed with Town Clerk.

A spaying certificate is necessary to license a dog as a spayed female. All dogs four months of age must be licensed. Licenses may be obtained during March; those obtained after April 1 are subject to LATE licensing fees which are 50% more than regular fees.

The Town Office in Perkinsville is open Monday through Friday from 9 a.m. until 4 p.m. with the exception of holidays. So please plan to come in person to license your dog ... because you have to sign the dog license.

If you check the date of the dog's rabies certificate to make sure it is still within the 30 months required, it could save you an extra trip.

Elizabeth G. Murray, Town Clerk

## Police Department and First Constable's Report

This year I would like to take the opportunity to inform the people of Weathersfield about the functions of the First Constable's job as related to the Police Department. The much-needed graduation in Weathersfield from the constable set-up of the "horse and buggy days" to a modern Police Department has been instituted. It was imperative that Weathersfield be enabled to function on a modern day level. As proof of this, after checking our records for the past year, we find Weathersfield has a crime solvency rate in excess of 90 per cent. By this, we mean more than 90 per cent of crimes perpetrated did have an apprehension. Even though the crime rate in Weathersfield has been higher than that of most surrounding towns, we have been able to maintain this 90 per cent average. I am proud to report these figures, as statistics prove the national average is less than 30 per cent.

I would like to explain the functions of the Police Department - that is, what my job entails. We cover all types of calls, lines of crime, fatalities, accidents, fires, dog problems. Our new modern Police Department has a 24 hour dispatcher and with this arrangement enables me to respond within minutes to any call. Examples of this are that we received eight emergency calls for fatalities during the past year, six of them being of a most violent nature. On each call, I was able to arrive on the scene within minutes. Two other emergency calls we received would have been fatalities had I not arrived on the scene within minutes. Isn't this proof to the people of Weathersfield that \$3.40 or even \$5.00 a year per person is a small price to pay when the next call we receive could be your home?

We would like to point out that the average national police ratio is 1,000 people per police officer. Weathersfield's ratio is a total population of 2,300 people for a one man force. We should mention that the towns of Chester and Ludlow, having a similar population, have a much greater expense than ours, Weathersfield's expense being 40 per cent of their expense.

I strongly recommend that we move ahead in our new concept of Police Department protection here in Weathersfield. A policeman does answer the calls for crimes committed, but his primary function is to prevent the crime before it occurs. One of the fundamental requirements of the Police Department is the protection of life and property - "Watch while the citizens sleep."

We now have an organized Police Department in the Town of Weathersfield. We want to take this opportunity to urge all the people of Weathersfield to take advantage of this professional service whenever the need arises, be it a serious problem or an emergency, i.e., fire, accident, etc. Because of many years of police education and more than twenty years of experience, you may now call your Weathersfield Police Department at our new number - 674-2185 - and receive efficient, professional service within minutes.

Robert Z. Gale  
First Constable and  
Chief of Police

## **Cemetery Commissioners' Report**

The outlying, and unendowed, cemeteries of the Town were mowed during the summer. These are the ones that are maintained from the Town general fund.

The Ascutneyville, Bow, Grout and Plain cemeteries, all of which have some endowed funds for perpetual care, were maintained as usual from these sources.

The commissioners urge those leaving funds for the perpetual care of lots in Weathersfield to make them ample, so that there is enough annual interest for proper upkeep. A sum of \$200 is none too much for a small lot.

Grace Stevens  
Louise Covell  
Herman Young

Various State and local organizations

The bookmobile came four times and left about 75 books each time. These books were mostly adult as the children get books at the school library during the school hours.

After thirty years in a corner of the Town Office, on the 23rd of October it became necessary to move the library to another place. After considering several other locations, it was decided to move it to a room in my home. As it seemed harder for the children to make the extra distance after school on Friday, the day was changed to Saturday from 2 to 4 p.m. However, I will

welcome those who cannot come on Saturdays any other time  
that I am home.

Expenses:

Reading Band	\$65.00	
John Thurber, Inc.	10.00	
Barton's Crossroads Store		
(batteries)	4.12	
Telephone calls and decorations	11.17	
William Blake	20.00	
Sons of Veterans Reserve	<u>20.00</u>	
		<u>130.29</u>
Balance December 31, 1970		\$ 19.71

I enjoyed working on the Memorial Day Parade this year  
and hope the parade will continue for years to come.

We'd like to see more people involved in the Memorial  
Day Parade in 1971.

Beverly B. Howe  
Secretary-Treasurer 1970

# Road-Naming Committee Report

In order to finish putting up signs for the remaining town-maintained roads (on which more than two families live) the Road-Naming Committee purchased the following supplies:

12 lengths of pipe @ \$6.82 each	\$ 81.84
18 signs @ \$4.75 each	85.50
10 caps @ \$1.10 each	11.00
Sign for Police Department	14.25
Total	<u>\$192.59</u>

The signs were erected by the Town Manager and one of the road crew. It is recommended that the Road-Naming Committee now be disbanded and the job of naming new town-maintained roads be in the jurisdiction of the Town Manager and the Selectmen with the understanding that no roads be named after anyone currently living and with the emphasis on historical meaning.

Lois Cann, Chairman

# Golden Cross Ambulance Service Report

In 1970, we responded to a total of 43 emergencies and non-emergencies of which 11 of the accounts are still outstanding.

We hope this will be a satisfactory report.

Lawrence H. Stickney  
Proprietor

Town Appropriation: \$1,850.00

## Fire Wardens' Report

Your Wardens wish to express deep appreciation for the cooperation given by all of you people in keeping our Forest Fire problems in the zero column.

The following letter expresses the feelings of our State officials, and the Town of Weathersfield has helped to make this record possible. Remember to keep it this way by the permit regulations. Again, Thank You!

Percy I. Bliss, Town Fire Warden  
Clarence Grover, Deputy Warden

Dear Fire Wardens:

Our 1970 fire season was something to brag about. There were 83 fires reported which burned 107.5 acres. This is the smallest area burned since we began keeping records in 1903. We continue to rank FIRST in the United States in the number of acres burned in proportion to the total woodland protected. This is an enviable record to which each one of you has contributed by your work in preventing fires and by your efficiency in quickly putting out the ones that do start.

KEEP UP YOUR GOOD WORK!

Sincerely yours,  
Nathan Dauchy, Chief  
Forest Fire Control

## **West Weathersfield Volunteer Fire Dept., Inc.**

This year the department responded to all calls: eight brush fires, two chimney fires and one fire at a hunting camp. A mobile home fire and a truck fire were out upon the arrival of our fire truck. We also answered two Mutual Aid calls. We held our regular business meetings, drills and work nights when needed.

Although our fund raising projects have been lower this year due to many men being out of work, some have sent donations to help run our department.

This year additional equipment has been purchased: coats, two Scott Air-Paks, and two spare cylinders.

Again this year we have only one number to report a fire to:

263-5551

We have two numbers to call for all other information:

263-5531

263-5444

Officers of the department are: Clarence Grover, Jr., Chief; Dennis Richardson, Deputy Chief; Kerry Stapleton, Assistant Chief; David Undeen, Captain; Robert Howe, Lieutenant; and Kenneth Murray, Secretary-Treasurer. Trustees are: Warren Child, Leslie Spencer, Russell Aldridge, Allan Hazeltine, and Ronald Lockwood.

Clarence Grover, Jr., Chief

## Ascutney Volunteer Fire Association

1970 was a busy year for your Fire Department. We put our new combination tanker-pumper into service and have purchased some of the items needed to equip it - with more to get in 1971.

### Major items obtained:

- 1400 feet new fire hose
- Boots, coats and helmets
- Radio
- Resuscitator
- First Aid kits
- One portable pump
- Indian tanks

In 1970 we had 28 meetings and drills to learn to use the new equipment.

We attended a Mutual Aid Fire School in Springfield.

We had 10 fires in the Ascutney Fire District. One fire was on I-91 and was the result of an auto accident in which two lives were lost.

We attended the Annual Claremont Firemen's Parade and won first prize for the best-looking apparatus.

We have a new furnace for the firehouse - due to the efforts of Mr. Roger Hinkley and the business people in town.

We installed a dry hydrant near the center of town - with the help of Mr. Percy Bliss and Mr. Tom Martin.

The town has now provided one phone for all fire and police emergencies. The number is 674-2185.

We continue to have suppers and raffles to raise money to help pay our operating expenses and are trying to operate our Fire Department in a business-like manner. We believe the taxpayer in the Ascutney Fire District is getting good fire protection for the \$2000.00 the town voted us in 1970 and request the same for 1971.

We welcome any suggestions for making our department more efficient.

Our officers for 1971 are: Henry C. Cobb, Chief; Clarence Stillson, First Assistant Chief; Brian Jones, Second Assistant Chief; Percy Bliss, Captain.

Henry C. Cobb, Chief

## Financial Statement - Ascutney Volunteer Fire Association - 1970

### Receipts

Balance on hand 1/1/70	\$2,090.25	
Sale of fire extinguishers	259.58	
Sale of Chevrolet truck	75.00	
Suppers	356.39	
Donations	98.20	
Raffles	219.00	
Town of Weathersfield	2,000.00	
Furnace fund	407.00	
		<u>\$5,505.42</u>

Checking account balance	\$ 663.20	
Savings account balance	113.58	
Balance on hand 1/1/71	\$ 776.78	

## Health Officer's Report

This year has been a get-acquainted year with the laws and the townspeople. My main theme has been pollution, in the air, water, and on the ground. We have had many cases of water pollution and open septic systems in Weathersfield. In all cases action has been taken to correct the violations.

As Health Officer, it is difficult to find or know about violations. We must rely on our citizens to alert us to investigate possible problem areas.

It is the responsibility of all of us to protect what we now have and set right the unadulterated violations of our natural resources. On a national level the cry is for ecology. My job would be easier if we would think about our own little place here in Weathersfield, and make it right with nature. Again I urge you to act now in actively cleaning the township of all forms of pollution, whether it be junk cars, dumps, septic systems, head lice, or any health hazard before we personally make your acquaintance.

Water sample bottles are available for residents. When was the last time your water was checked?

Question: What constitutes a mobilehome park? Answer: Any plot of ground under single ownership upon which two or more mobile or transportable homes, occupied for dwelling or sleeping purposes, are located. Any dwellings falling within this definition must file for a license and pay the appropriate fee at the Town Office. This has been in effect since the first of last year.

We urge any resident or non-resident within our township who is planning any land development to check with our Health Department or an authorized person before pursuing the project. With the new environmental laws in effect, you may be in violation - which could cause you considerable inconvenience.

Raymond E. Denault

# Springfield Visiting Nurses

## ANNUAL REPORT FOR WEATHERSFIELD

### Visits made in 1970

Skilled Nursing	261	
Home Health Aides	78	
Health Promotion	16	
Total		355

Individual patients served by this Agency 14

### 1970 Clinics and attendance

Preschool	52	
Mothercraft	2	
Glaucoma	7	
Diabetes	1	
Baby Sitting	6	
Flu	105	
Immunizations	22	
Total attendance		195

Marie Schoff, R.N., B.S.E.  
Director

Weathersfield joined the Springfield Visiting Nurses Association last year by voting \$2,000.00 at Town Meeting.

The Association reports that it ran into a critical financial situation in 1970 due to cutbacks in Medicare payments for home nursing care for the chronically ill patients with purpose of preventing regressions and complications. Restrictions were placed on personal care services for patients whose conditions had stabilized.

The Governor's Emergency Funding Committee has agreed that emergency funds would be found to assist in 1970 as the necessity for home care could not be ignored.

## Vermont State Department of Health

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1969 through June 30, 1970. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Weathersfield:

Number of well-child and school medical conferences, and immunization clinics held in this town	7
Attendance of town residents at above conferences or clinics in this or nearby towns	305
Number of children served at the child development clinic	1
Number of children aided at handicapped children's clinic for speech, hearing, orthopedic, plastic, neurological or cardiac problems	8
Attendance at dental health and brushing classes, and dental inspections	75
People X-rayed for tuberculosis detection	14
People X-rayed for occupational diseases	5
People served at tumor clinics	1
Attendance at diabetes clinics or physician's office screening for diabetes	18
Attendance at glaucoma screening clinics	6
Attendance at amblyopia screening clinics (3 to 5 year olds)	32
Diphtheria, tetanus, whooping cough immunizations	33
Polio immunizations	35
Smallpox immunizations	10
Red measles (rubeola) immunizations	10
Rubella (German measles) immunizations	234
Number of water samples (private and public supplies)	65

Blood specimens tested (pre-marital, pre-natal and other)	36
Other laboratory specimens	7
Nutrition and dietary consultations, demonstrations, services	2
Inspections and consultations to hospitals, nursing homes, homes for the aged, and home health agencies	14
Sanitary inspections and consultations to licensed food and lodging establishments and to other public and private facilities	54
Public Health Nurse visits to individuals	220
Number served by above visits	103
Other consultations, program and group service activities of Public Health Nurses	100

R. B. Aiken, M.D., M.P.H.  
Commissioner of Health

## **Windsor County Mental Health Services, Inc.**

Fifteen (15) different people from Weathersfield were seen a total of 88 times. This represents more than one percent (1%) of the total caseload of Windsor County Mental Health.

On the basis of this service we have requested an article for this year's Town Meeting asking for an increase in the appropriation from \$300.00 to \$600.00.

V. B. Harrison, Jr. ACSW  
Executive Director

## State Department of Social Welfare Report

All of the figures reported this year are for calendar year 1970 except the General Assistance figures which are for fiscal year 1970, that is, the twelve month period ending June 30, 1970. General Assistance is the program that was formerly operated by the Overseer of the Poor. Monthly average number of recipients is a monthly average of total people served, except in General Assistance where the count is of cases rather than total people within the cases as the latter count is not available.

<u>Program</u>	<u>Amount</u>	<u>Monthly Average Number of Recipients</u>
Aid to the Aged	\$ 2,022.	2
Aid to the Blind	173.	1
Aid to the Disabled	875.	1
Aid to Needy Families		
with Children	31,994.	43
General Assistance	6,326.	18
Bonus Food Stamps	13,666.	99

The above figures do not include money payment recipients residing in nursing homes or mental hospitals as there does not appear to be a fair way of assigning a town of residence to these people.

In addition, medical vendor payments for the calendar year 1970 totaled about \$15,000,000 (more than one-third of all Department of Social Welfare expenditures) and payments in behalf of committed children totaled more than \$1,400,000 for a monthly average of more than 1550 children. No doubt residents of Weathersfield were numbered among those who benefited from these expenditures.

J. W. Betit  
Commissioner

## **Interim Zoning Regulation**

(Effective January 1, 1971 per Board of Selectmen of the Town of Weathersfield and the Trustees of the Incorporated Village of Perkinsville)

Section 1: During the period of two years, or less if the voters adopt regular zoning regulations before the end of two years, land development (as defined by section 4303 of the Vermont Planning and Development Act, Title 24, Section 4301 ff., V.S.A.) in this town and in this incorporated village will be regulated by the following Interim Zoning regulation:

Section 2: The following three types of land development are automatically permitted and may be started without contacting any town officials:

2.1: Erection of not more than one residential structure for one or two family use, or not more than one mobile home on a foundation, on a lot of not less than one acre having at least 150 feet frontage on a public highway or any road having access to a public highway, which structure, including attached and detached structures such as garages and barns, shall be set back at least 40 feet from the right of way of the highway or any road having access to a public highway and at least 25 feet from all side and rear property lines;

2.2: Alteration or improvement of existing structure insofar as same constitutes a remodeling thereof without causing a change in the use or character of the property, and insofar as the same does not bring any part of any structure closer than 40 feet to the right of way of the highway or any road having access to a public highway, nor closer than 25 feet to any side or rear property line;

2.3: Erection, alteration or improvement of structures for agricultural use, insofar as the same does not bring any part of any structure closer than 40 feet to the right of way of the highway or any road having access to a public highway, nor closer than 25 feet to any side or rear property line.

Section 3: Any small lot in individual and separate and non-affiliated ownership from surrounding properties in existence on the effective date of this Interim Zoning regulation may be developed for the purposes permitted in this Interim Zoning regulation even though not conforming to minimum lot requirements if such lot is not less than 40 feet in width and in length and is not less

than one-eighth of an acre in area, provided the Town Health Officer has given his written approval of the location and construction of the proposed sewage and water systems.

Section 4: All types of land development not described in sections 2 and 3 may be started only on the following conditions, the "Board" referred to in this section and any subsequent sections being the Board of Selectmen of the Town of Weathersfield, Vermont, and, in cases concerning land within the Incorporated Village of Perkinsville, also the Trustees of the Incorporated Village of Perkinsville, Vermont:

4.1: An application describing such development to the satisfaction of this Board shall be submitted to this Board by the person who wishes to proceed with such development;

4.2: A public hearing, after public notice as defined in section 4447 of said act, will then be held thereon, within 30 days of said satisfactory application submittal;

4.3: In the event that this Board finds that the proposed development is consistent with the purposes of this Interim Zoning regulation and the interests of the public health, safety, and welfare of said town, and, further, is in conformance with those general and specific standards described in section 4407 (2) of said act, this Board will direct the issuance by the administrative officer of a permit for the described and approved development within 30 days of said hearing.

Section 5: Any interested persons dissatisfied with the Board's decision may file appeals from said decision as set forth in subchapter 8 of sections 4461 through 4473 of said act.

Section 6: The provisions of this Interim Zoning regulation shall be administered and enforced as provided in subchapter 7, sections 4441 through 4448 of said act; and appeals in respect thereto shall be taken and heard as provided in subchapter 8, sections 4461 through 4473; provided however that notwithstanding section 4443 of said act a permit for a type of development which is referred to in section 4 of this Interim Zoning regulation shall only be issued upon the written order and approval of this Board. No fee will be charged for any permit issued under that section.

Section 7: If any provision of this Interim Zoning regulation or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the regulation which can be given effect without the

invalid provision or application, and for this purpose the provisions of this regulation are severable.

Section 8: This Interim Zoning regulation shall take effect January 1, 1971 and shall expire on December 31, 1972, unless previously revoked by the Board after public hearing upon public notice as defined in said act.

## REQUIREMENT FOR NEW ROADS TO BE TAKEN OVER BY THE TOWN OF WEATHERSFIELD, VT.

Any developer planning a new road to be taken over eventually by the Town of Weathersfield must meet the following requirements:

1. Three (3) rod right-of-way.
2. 18" gravel base.
3. 3" crushed gravel surface.
4. Road should be 24' shoulder to shoulder.
5. 18" minimum culvert size, with stone or concrete inlet and outlet headwalls.
6. A good ditch along both sides of the road.
7. 10 per cent maximum grade.
8. Normal crown one-quarter inch (1/4") per foot each side of center on a straight road. On a curve, crown will be such that water will not set on surface of road.

People adding driveways to the town highways should contact the Town Highway Department or the Town Manager.

# School Directors' Report

Due to the population growth in the town it is again time to consider building needs. The School Directors have asked a committee of citizens to study the problems and make recommendations to the Board of Directors.

The P.T.G.'s in both schools have been very helpful to the School Directors in making both buildings more educationally effective.

The Weathersfield Teachers Association is to be commended for accepting the same salary schedule for the coming school year. This has enabled the Directors to hold cost increases to a minimum in view of economic conditions.

The addition of a supervising principal has done much to bring stability and continuity to the educational program. The schools are indeed fortunate in having such an able administrator.

The teaching staff is to be commended for the outstanding job they have done this year.

# Principal's Report

## Ascutney:

The year 1970 saw a continued increase in the school's enrollment. Because of this it was necessary to add another first year class, part-time persons for second year students and another third year teacher.

To house this increase the partitioned end of the cafeteria became the science room for intermediate and upper level students and the teachers' room began sharing facilities with the library's magazine storage work room. This was to provide space in the old teachers' room for the overflow of second year students.

Presently working on this problem is a study committee established by the School board. This committee will formulate proposals for near-future and long-range solutions to the increased enrollment situation.

During the summer the school library was kept open on a once a week basis. The library was staffed by several of the teachers, the school secretary and the librarian, who volunteered their time.

It is worth noting that several persons representing Vermont schools asked for and received permission to visit the Ascutney School library. These schools were in the process of planning their own libraries.

The winter physical education program was expanded to include candle pin bowling, ten pin bowling, and swimming, in addition to skiing. The program continues to be supported by the individuals participating and various fund-raising projects.

Several parents and teachers volunteered to help paint several of the classrooms. Four of the rooms in the 1954 and 1963 sections were done.

## Perkinsville:

In 1970 the following occurred:

1. Grades five through eight became self-contained classrooms with limited departmentalization.
2. The teachers in grades one through three started using

a different form of report card. The emphasis is on communicating specific items of success and difficulty. The progress reports were the results of many months of preparation by the first, second and third grade teachers. The reports will continue in use during the 1970-71 school year.

3. The school library has seen increased use during the latter part of 1970. This is attributed to an "open door" policy which allows students to visit the library any time it is open, rather than at prearranged time for each grade. Circulation is running 840 books per month, which is an increase of 460 over last year.

4. Mrs. Barbara LaPointe, second grade teacher, was awarded a grant to use a "listening - read" project in her classroom. The project involved the taping of literature books for second grade students. The grant was awarded by the Windsor Southeast Curriculum Council.

5. Much volunteer work has been provided by the P.T.G. in assisting in repairs on the entrance way to the 1879 section and remodeling of areas within the building.

#### Ascutney-Perkinsville:

The Weathersfield schools are committed to the Vermont Design for Education. We believe, and always have, that each individual should be educated to the fullest of his abilities. It is with commitment to this belief that we shall strive to provide the best possible education for our children. Our curriculum development will continue to strive toward excellence in providing an education based upon our environment and community values.

In 1970 the Weathersfield teachers, as a whole and individually, actively participated in several educational conferences and classes, given by the University of Vermont, were held at the Ascutney School and attended by teachers from throughout the area. The class was in session 15 weeks.

Weathersfield teachers were well represented at Windsor Southeast Supervisory Union Vermont Design Council; Windsor Southeast Teacher Workshops; Weathersfield Teachers Workshops; Southeastern Vermont Reading Council; Vermont Action Center Workshops; and the Vermont Reading Association. Several Weathersfield teachers attended classes given by Keene State College and the University of Vermont.

An increased use of community resources has been noted in both schools. Several speakers have visited classes in both schools, the use of the facilities of Dartmouth College has increased, and several visits have been made to area industries and businesses.

The schools are continuing to make use of federal funds made available to us through the State Department of Education. In September the services of a reading coordinator, Mrs. Eleanor Robinson, were obtained. Mrs. Robinson is working with reading development in all district schools; second, the Ascutney School has the services of a remedial reading teacher; and third, the school libraries continue to purchase a number of volumes with the use of federal funds.

Once again this year we are fortunate to offer our appreciation to both Parent-Teacher organizations and to several individuals for their tireless and very helpful work. The services they have performed are endless. Thank you.

R. Donald LaPointe  
Principal

## 1971 Town Meeting Warning

The legal voters of the Town of Weathersfield are hereby notified and warned to meet at the Multipurpose Room in the Perkinsville Elementary School in the Town of Weathersfield, Vermont on Monday, March 1, 1971 at 7:30 o'clock p.m. to act on the following articles: (Voting on Articles 1 and 2 will be by Australian Ballot on Tuesday, March 2, 1971 from 10 a.m. until 6 p.m.)

Article 1. To elect Town Officers by Australian Ballot.

Article 2. To see if the Town will vote to prohibit the showing of X and R and 'adult only' rated movies in open air theaters in the Town of Weathersfield. (By petition)

Article 3. To act upon the reports of the Town Officers for the year ending December 31, 1970.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 5. To see what the Town will vote to pay Town Officers for their services and travel expenses.

Article 6. To see if the Town will vote to print in the Town Report the names of delinquent taxpayers and amounts due from each.

Article 7. To see if the Town will vote to authorize the Town Manager to perform the duties which the Tax Collector now performs by law. For collecting taxes, the Town Manager may charge and receive the same fees that the collector of taxes charges. The fees collected will be paid into the Town treasury. These duties to be assumed after the March 1972 Town Meeting.

Article 8. To see if the Town of Weathersfield will accept the following bequest from Anna Billings Clark: "Third, I give and bequeath to the Town of Weathersfield the sum of Seventy-Five Dollars (\$75.00), the same to be added to the funds invested by the Cemetery Commissioners of the Town of Weathersfield, and the income therefrom to be used for the care of the lots in the cemetery which is under the control of the Weathersfield Cemetery Commissioners, and which said cemetery is adjacent to the Plains Cemetery."

Article 9. Shall the Town vote to authorize the Selectmen to appoint a Joint Zoning Commission with the Incorporated Village of Perkinsville to prepare a preliminary zoning plan?

Article 10. To see if the Town will appropriate \$150.00 to be used for the 1971 Memorial Day Parade by a Committee appointed by the Selectmen.

Article 11. To see if the Town will vote to exempt the land and buildings of the Weathersfield Historical Society from all town taxes, both real estate and personal property, for a period of five years. (By request)

Article 12. To see if the Town will appropriate the sum of \$600.00 for the Windsor County Mental Health Services, Inc. (Funds from State \$1,200.00)

Article 13. To see if the Town will vote to approve the budget of the Selectmen for the ensuing year.

Article 14. To see if the Town will vote to collect taxes in the manner provided by statute:

To pay taxes to the Town Treasurer.

To have poll taxes due June 1st, and delinquent after July 1st.

To have real estate and personal property taxes due September 1st and delinquent after December 1st

To charge interest on delinquent taxes at the rate of one-half of one per cent per month or fraction thereof.

Article 15. To transact any other business deemed proper when met not involving the expenditure of Town Funds.

Dated at Weathersfield, Vermont this 29th day of January, 1971

Henry N. Hicks

Robert G. Brogdale

Raymond E. Denault

Weathersfield Selectmen

## **School District Warning**

The legal voters of the Town School District are hereby notified and warned to meet at the Multipurpose Room in the Perkinsville Elementary School in the Town of Weathersfield, Vermont on Monday, March 1, 1971 at 7:30 o'clock p.m. to act on the following articles. Voting on the first article will be by Australian Ballot on Tuesday, March 2, 1971 from 10 a.m. until 6 p.m.

Article 1. To elect School District Officers by Australian Ballot.

Article 2. To act upon the report of the School Directors for the year ending December 31, 1970.

Article 3. To see if the Town will take advantage of Title 16 Section 381 V.S.A. amended and elect two additional School Board members to serve one-year terms.

Article 4. To see if the Town will vote to support Public Kindergarten in the Town of Weathersfield. (This article is requested by State Law.)

Article 5. To see what the Town will vote to pay Town School Officers for their services and travel expenses.

Article 6. To see if the Town will vote to authorize a sum of \$15,000 for the installation of portable teaching areas in the Ascutney Multipurpose Room to relieve the overcrowded condition in the Ascutney Elementary School. (Less anticipated 30% State Aid.) (By request of Study Committee.)

Article 7. To see if the Town will vote to allow the Weathersfield School District to own and operate its own buses.

Article 8. To see if the Town will vote to authorize the School Board to adjust the \$.80 Sinking Fund which concerns the change of the School Fiscal Year, in the event that the State requirement is amended in the legislature this year from 1972 to 1977.

Article 9. To see what specific sum of money the Town School District will vote to raise for expenses, capital improvements, or other lawful purposes to the end of the school year next ensuing - all in lieu of a rate on a dollar of the Grand List.

Article 10. To see if the Town will authorize the School Directors to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 11. To transact any other business necessary and proper.

Dated January 27, 1971

Weathersfield School Directors

Roger W. Eastman

Agnes S. Torp

Peter M. Daniels

purchased the so-called Lewis Farm along the Connecticut River in Weathersfield. It joined property bought in May by his brother, Leonard Wilgus of Buffalo. Leonard W. Wilgus became a Weathersfield town lister in 1926. He later served as selectman, town agent, library trustee and cemetery commissioner, and died in 1939 or 1940. Colonel William J. Wilgus built the substantial slate-roofed house in Ascutney, now hidden from passersby by close set tall pine trees. This residence is now owned by Donner and Jayne Carr.

One of Colonel Wilgus' greatest disappointments was the failure of a proposed Green Mountain Parkway. He had planned a scenic drive overlooking the Connecticut River valley from Williamstown, Mass. to Jay Peak in northern Vermont. He had seen the road as a way of obtaining Vermont's share of \$15 million in federal funds during the depression.

John McLane Clark stated about the Colonel: "At the time of his last birthday, he was asked about opportunity for the young today. His reply gave much of the essence of the man and may serve as an inspiration - the best sort of memorial: 'Opportunity is limitless for those with the courage of their convictions plus initiative, courage, persistency and vision.'"

# **TOWN OF WEATHERSFIELD**

## **Annual Report 1971**

## THE WEATHERSFIELD MEETING HOUSE

The Weathersfield Meeting House stands on a slight rise at the head of the grove of maple trees in Weathersfield Center.

This picturesque brick building replaces the original white wooden Meeting House which burned on the 25th of March 1821.

Looking back in the town records one learns: "Whereas of late the Meeting House has been reduced to ashes and the inhabitants of the Town of Weathersfield have no House to hold their Town meetings in, and having had two requests in writing signed by more than four freeholders each to warn a Town Meeting - Therefore, we the undersigned Selectmen do hereby notify and warn all the Inhabitants of the Town of Weathersfield that are legal voters to meet at the dwelling House of Sewell Clement in said Weathersfield on Thursday 19 day of April instant at 1 o'clock P.M. to act on the following art's. (Viz)

- 1st To choose a Moderator to govern said meeting.
- 2nd To see if the Town will build a Town House or rebuild the Meeting House in said Town or to assist in rebuilding the same with any religious society or societies or Individuals of said Town for the purpose of holding Town Meetings.
- 3rd To see if the Town will give any religious society or societies or individuals of said Town the privilege of building a House for public worship on the Town's land or near where the Meeting House stood, lately consumed by fire.
- 4th To raise money for any of the purposes aforesaid.

Dated at Weathersfield this 4th day of April A.D. 1821.

Amos Hulett, Joshua Upham and Henry Tolles signed as the Selectmen of Weathersfield.

The results of this Town Meeting are recorded thus:

"The first congregational society in the Town of Weathersfield at a legal meeting holden this day have voted to build a Meeting House and propose to give the Town the privilege of holding all Town and freemens (meetings) in said house as long

*(continued inside back cover)*

### TOWN OFFICERS EDUCATIONAL CONFERENCE

Each year in March, town officers' meetings are held to update information concerning the duties of town officers. The meetings also provide opportunity for town officers to become acquainted with State officials and officers from other towns. Meetings in 1972 near Weathersfield are:

March 14, Town Hall, Bellows Falls  
March 15, Municipal Building, Woodstock  
March 23, Manchester

## Elected at General Election November 3, 1970

Justices of the Peace (Term for two years: February 1, 1971 - January 31, 1973)

Norman J. Corey

Walter O. Murray

Robert C. Follett

William C. Waite

Charles A. Murray

Herman S. Young

(Appointed by Governor Deane C. Davis to

replace Percy I. Bliss who resigned) Richard O. Hinkley

Representative, District 53 (Cavendish-Weathersfield) Henry N. Hicks of  
Weathersfield

## Qualification of Voters

All qualified voters are requested to inspect check lists when posted for each election to ensure their names being on the check lists. It is up to every voter to inspect the check list and satisfy himself/herself.

The age of majority has been changed from 21 to 18 years of age. All persons whose names did not appear on the check list used at the March 2, 1971 Town Meeting must file in the office of the Town Clerk a written statement certifying as to the length of time they have been residents of the town. The format is as follows:

### APPLICATION—ADDITION TO CHECK LIST

Last Name ..... First Name ..... Initial .....

Town/City of ..... 19.....

To the Honorable Board of Civil Authority

I hereby make application to have my name added to the check list of the Town

or City of .....

I am a citizen of the United States and of the State of Vermont; eighteen

years or more of age; have taken the Freeman's Oath and have resided in

..... since ..... (Month, Day, Year)

(Town/City)

I voted last in the State of .....

Naturalization: Place ..... Date .....

Birthplace ..... Date of Birth .....

Witness: ..... SIGNED .....

### MAILING ADDRESS

I hereby certify that on the ..... day of ..... 19.....

I administered the Freeman's Oath, Oath of Allegiance and the Oath to Support the

Constitution of the United States to the within named .....

..... Town/City Clerk ..... Notary Public.

At a meeting of the Board of Civil Authority held for the purpose of revising

check lists the above named was added to the check list.

Attest: ..... Town/City Clerk.

The residence requirements have been changed as follows:

(a) To vote for electors of President and Vice President of the

United States, one must have resided in the State for 30 days, taken the Freeman's Oath, and completed the above-mentioned form.

- (b) To vote in Primary and General Elections for United States Senators, Representative to Congress and State Officers, one must have resided in the State for 90 days, taken the Freeman's Oath, and completed the above-mentioned form.
- (c) To vote for County, Senatorial District or Representative District Officers, one must have resided in the County, Senatorial or Representative District for 90 days, taken the Freeman's Oath, and completed the above-mentioned form.
- (d) To vote in General Elections for Justices of the Peace, one must have resided in the town for 90 days, taken the Freeman's Oath, and completed the above-mentioned form.
- (e) To vote at municipal meetings, one must have resided in the municipality for 180 days, taken the Freeman's Oath, and completed the above-mentioned form.

These changes became effective July 1, 1971.

**PROPERTY TAX and RENT REFUNDS**  
**from Vermont Department of Taxes**  
**PAYABLE SOON to VERMONTERS OVER 65**

Do you meet these requirements?

- **Were you age 65 or older on December 31, 1971?**
- **Were you a legal resident of Vermont for the entire year 1971?**
- **Was your household income from all sources, both taxable and non-taxable, less than \$4,286?**

Then you are eligible for a cash refund on your rent or property taxes.

The deadline for filing is April 15, 1972. Get your one-page claim form from your town clerk, your local senior center, or by writing the Vermont Department of Taxes, Montpelier, 05602.

If you need assistance in filling out the form, write or call your local senior center or the Interdepartmental Council on Aging, 126 Main Street, Montpelier, Vermont, 05602, 223-2311, ext. 271. If you have a low income, regardless of age, also ask about sales tax refunds and food stamps.

The Vermont State Tax Department may be holding money that belongs to you. File a claim now!

## **Town Meeting, March 1 and 2, 1971**

The legal voters of the Town of Weathersfield met at the Multipurpose Room in the Perkinsville Elementary School in the Town of Weathersfield, Vermont on Monday, March 1, 1971 at a legally warned and notified meeting which opened at 7:30 p.m.

Melvin R. Butterfield, moderator, congratulated Mr. Armstrong Hunter on printing a fine Town Report, believed to be the first one printed in Weathersfield. The audience applauded. Then he read the Town Meeting warning, followed by the Town School District warning. After which he introduced the candidates for office.

### **Weathersfield School District Meeting**

The legal voters of the Town School District met at the Multipurpose Room in the Perkinsville Elementary School in the Town of Weathersfield, Vermont on Monday, March 1, 1971 at 7:30 p.m. at a legally warned and notified meeting and acted on the following articles:

Article 2. Voted to accept the report of the School Directors for the year ending December 31, 1970. Roald Cann moved we accept the report. It was seconded and so voted by voice vote.

Article 3. Voted to have the Town take advantage of Title 16, Section 381 V.S.A. amended and elect two additional School Board members to serve one-year terms. Motion made "We do". Seconded and so voted. Voice vote.

Article 4. Voted not to support Public Kindergarten in the Town of Weathersfield. Voice vote.

Article 5. Voted to pay Town School officers \$1.75 an hour for their services and 10¢ a mile for travel. Voice vote.

Article 6. Roger Eastman offered the following amendment: "To see if the Town will vote to authorize a sum of \$5,000 for adjusting some teaching area of the Ascutney School to relieve the overcrowding condition there, if necessary, next September." Voted to accept the amendment. Then voted to accept the article as amended. Voice vote.

Article 7. On a motion by Roald Cann it was voted "to pass over" the article "To see if the Town will vote to allow the Weathersfield School District to own and operate its own busses"

Article 8. Voted to amend the article to read: A sum of \$28,000 is recommended in lieu of the \$.80 on the tax rate which concerns the change of the School Fiscal Year, in the event that the State requirement is amended in the legislature this year from 1972 to 1977. Then adopted the article as amended. Voice vote.

Article 9. Voted \$289,000.00 to be raised by taxes for the Town School District for expenses, capital improvements, or other lawful purposes to the end of the school year next ensuing - all in lieu of a rate on a dollar of the Grand List. Motion moved, seconded and so voted by voice vote. (This included the polls.)

Article 10. Voted to authorize the School Directors to borrow money, if necessary, to pay current expenses in anticipation of taxes. Voice vote.

Article 11. The moderator, Melvin Butterfield, asked Mrs. Helen W. May, a former school director, and Roger Eastman, to come to the platform. Then, Mrs. May on behalf of the people of Weathersfield presented Eastman "A framed diploma" for faithful service as School Director 1961-64, and 1968-71.

Mrs. Hunter asked that someone from the Superintendent's Office come to town meeting who is familiar with the school board figures. The meeting adjourned at 9:30 p.m. for a ten minute break.

On March 2, 1971 the following article was voted on by ballot:

Article 1. To elect School District Officers by Australian Ballot.

For Moderator

Melvin R. Butterfield	413 votes
-----------------------	-----------

For School Director for 3 years - to 1974

Gary P. Richardson	374 votes - Elected
Eastman (write in)	1
Dottie Grover (write in)	1
Blanks	5

Attest Elizabeth G. Murray  
Town Clerk

## **Weathersfield Town Meeting, March 1, 1971**

The legal voters of the Town of Weathersfield met at the Multipurpose Room in the Perkinsville Elementary School in the Town of Weathersfield, Vermont on March 1, 1971 at 7:30 p.m. at a legally warned and notified meeting.

Melvin Butterfield, moderator, read the warning. Then at 9:50 p.m. following the Weathersfield School District meeting, the following business was conducted:

Raymond Denault, selectman, explained that the article concerning the showing of X and R and 'adult only' rated movies in open air theaters in Weathersfield, which was to be voted on by ballot on March 1st.....could be an expression of opinion from the voters showing how they felt about movies of this type being shown in Weathersfield. That by law, we couldn't close down the theater on those grounds.

Article 3. Voted to accept the reports of the Town Officers for the year ending December 31, 1970. Voice vote.

Article 4. Voted to authorize the Selectmen to borrow money, if necessary, to pay current expenses in anticipation of taxes. Voice vote.

Article 5. Raymond Denault offered the following amendment: "To see what the town will vote to pay town officers other than selectmen, town clerk, police chief, treasurer, town manager, for their services and travel expenses". Voted to accept the amendment. Then voted "To pay town officers other than selectmen, town clerk, police chief, treasurer and town manager, \$1.75 an hour for their services and 10¢ a mile for travel expenses." So voted.

Article 6. Voted to print in the Town Report the names of delinquent tax payers and amounts due from each. Voice vote.

Article 7. Voted to authorize the Town Manager to perform the duties which the Tax Collector now performs by law. For collecting taxes, the Town Manager may charge and receive the same fees that the collector of taxes charges. The fees collected will be paid into the Town treasury. Those duties to be assumed after the March 1972 Town Meeting. Voice vote. "If anyone is concerned... does the tax collector object...he does not" said John L. Hurd, the incumbent. "It's getting to be a full time job."

Article 8. Voted that the Town of Weathersfield will accept the following bequest from Anna Billings Clark: "Third, I give and be-

queath to the Town of Weathersfield the sum of Seventy-five dollars (\$75.00), the same to be added to the funds invested by the Cemetery Commissioners of the Town of Weathersfield, and the income therefrom to be used for the care of the lots in the cemetery which is under the control of the Weathersfield Cemetery Commissioners, and which said cemetery is adjacent to the Plains Cemetery." Accepted by voice vote. Henry Hicks, chairman of selectmen, said "I have no objection to this particular one, but this is a very small amount, even \$100 isn't enough...wish the cemetery commissioners would put some recommendations in a future warning."

Article 9. Voted to authorize the Selectmen to appoint a Joint Zoning Commission with the Incorporated Village of Perkinsville to prepare a preliminary zoning plan. Voice vote.

Article 10. Voted to appropriate \$150 to be used for the 1971 Memorial Day Parade by a committee appointed by the Selectmen. Voice vote.

Article 11. Voted to exempt the land and buildings of the Weathersfield Historical Society from all town taxes, both real estate and personal property, for a period of five years. Voice vote. Thomas Alexander, president of the Weathersfield Historical Society, explained that the Society has been exempt and this would be an extension of the exemption for what is a public Town Museum to which no admission is charged.

Article 12. Voted to appropriate the sum of \$600 for the Windsor County Mental Health Services, Inc. Voice vote.

Article 13. Voted to amend the article "to increase the proposed budget of the Selectmen to \$111,970.40 for the ensuing year." Voted to accept the amendment. Then voted to approve the budget as amended. Ray Denault, who made the motion, explained it was to provide a new truck for the Town to help take care of winter work more efficiently.

Article 14. Voted to amend the article to : "Have real estate and personal property taxes due August 1st and delinquent after November 1st." So voted by voice vote. Then voted to collect taxes in the manner provided by statute:

- To pay taxes to the Town Treasurer.
- To have poll taxes due June 1st, and delinquent after July 1st.
- To have real estate and personal property taxes due August 1st and delinquent after November 1st.

- To charge interest on delinquent taxes at the rate of one-half of one per cent per month or fraction thereof. The article as amended was approved by voice vote.

Article 15. Percy I. Bliss, chairman of Civil Defense, spoke briefly on the Civil Defense Organization in Weathersfield and pointed out that on March 13 information concerning fall-out and shelters will be distributed to residents.

Richard Koenig presented the following article: "To see if the Town will vote to print in the Town Report, the names of the candidates for town offices." So voted.

Armstrong Hunter moved "That the Selectmen appoint a committee of three to study the possibilities of:

- (1) a more unified telephone service for Weathersfield, and
- (2) a more unified postal service for Weathersfield, this committee to conduct inquiries of the private and public agencies involved and to report to a subsequent town meeting. So voted. Voice vote.

Henry N. Hicks asked for a vote of thanks for Karl Stevens who, he pointed out, carried the ball when he was a selectman, and now that he was Town Manager, had helped make possible an anticipated lower tax rate. Enthusiastic applause by voters.

Perley Hoyt wanted some appreciation given the auditors to whom a rising vote of thanks was also given.

Moved we adjourn....So voted and adjourned at 10:42 p.m.

## **Weathersfield Town Meeting, March 2, 1971**

On Tuesday, March 2, 1971, Melvin R. Butterfield, moderator, opened the meeting at 10:00 a.m. and declared the ballot boxes open for the articles to be voted by Australian Ballot until 6:00 p.m. The boxes were declared closed at 6:00 p.m. There were 904 registered voters of whom 404 voted.

Article 2. To see if the Town will vote to prohibit the showing of X and R and 'adult only' rated movies in open air theaters in the Town of Weathersfield. (By petition)

YES 311 votes

NO 116 votes

Article 1. To elect Town Officers by Australian Ballot.  
Results of the balloting were:

Selectman for 3 years - to 1974

Henry N. Hicks	276 votes - Elected
Howard Lear Johnson	149
George Jarvis (write in)	1

Selectman Unexpired 3 year term - to 1972

Raymond E. Denault	381 votes - Elected
Harvey Dana (write in)	2

Selectman for 1 year term - to 1972 (Two Selectmen  
elected to one year terms)

Neil H. Daniels	275 votes - Elected
Clarence N. Grover Jr.	241 Elected
Donald G. Standen	137

Town Clerk

Elizabeth G. Murray	217 votes
Lorraine P. Zigman	217
Ballots undecided on	3
Ballots blank	3

The ballots for town clerk were impounded while Henry N. Hicks, then chairman of selectmen, and Karl Stevens, Town Manager, sought legal counsel as to procedure. The incumbent town clerk was instructed by the selectmen to continue as town clerk while the matter was being resolved.

School District Officers:

Moderator

After the results of the balloting were announced...the Selectmen gathered for a meeting...and people drifted away... wondering how the Town Clerk's vote would be resolved.

Attest Elizabeth G. Murray  
Town Clerk

## Special Town Meeting, May 3, 1971

The legal voters of the Town of Weathersfield and the Town School District met at the Town Hall in Weathersfield Center, Vermont on Monday, May 3, 1971 at a legally warned and notified meeting and took the following action: (The polls opened at 11:00 a.m. and closed at 7:30 p.m. and the voting was by ballot.)

Article 1. To elect a Town Clerk

Elizabeth G. Murray	329 votes - Elected
Lorraine P. Zigman	283

Article 2. To elect two School Directors to serve until the next annual Town Meeting

Roger W. Eastman	260 votes - Elected
Richard O. Hinkley	262 votes - Elected
Alice M. Jackson	205
William E. Kidder	146
Earle A. Rice	79
Gilbert F. Whittemore	246

Article 3. Raymond Denault, Chairman of Weathersfield Selectmen, requested expressions of opinion from those assembled concerning the Selectmen's insistence that the Midway Drive-In in Ascutney have a 10-foot fence constructed around the property by June 15th. Following considerable discussion, a show of hands indicated that those assembled favored the building of the 10-foot fence as specified by the Selectmen.

Melvin R. Butterfield, moderator, conducted the Public Hearing which had been called to see what policies were favored as guidelines for the transportation of school children.

The school bus situation was discussed for nearly two hours. A voice vote was taken on a motion made by Andrew A. Titcomb to the School Board "on one mile as basic policy". The vote was declared in the affirmative by the moderator.

Concerning the matter of providing high school transportation, Donald Standen moved to direct the School Directors to provide transportation to high schools. The motion was amended by Henry Hicks to direct the School Board to make available transportation to Springfield and Windsor High Schools at a fee to be paid by high school families. The amendment was accepted, then the amended motion was adopted.

The meeting was adjourned.

Attest Elizabeth G. Murray  
Town Clerk

## Auditors' Statement

In accordance with Section 3593 V.S.A. as amended, we have verified the existence of stated cash balances and inspected all securities and to the best of our knowledge the following financial statements and reports of receipts and disbursements present the financial position of the Town of Weathersfield, Vermont on December 31, 1971.

We feel that having a Town Manager to supervise the town's affairs is a big help both to private citizens and the town officers.

We would like to suggest that at the time of auditing the town books and records that an experienced auditor or advisor be brought in to set up the proper way of auditing which we feel would save much time.

As suggested by the auditors of 1970 we feel that an additional adding machine which totals to ten digits is very necessary and should be added to the office equipment.

Josephine Brigham  
Honora Yessman  
Delma Pike (substitute  
for Katherine Murray)  
Auditors

## Treasurer's Statement

The following items should be accounted for in 1971 receipts. Since they were not received before the Treasurer's books were closed, they will not appear in the above statement of receipts.

For Town Clerk's fees for 4th quarter	\$1,425.75
For Martin Memorial Hall Rental	<u>98.00</u>
Total	\$1,523.75

The above memo simply explains that this revenue should be credited to 1971 receipts for budget purposes but could not be included in Treasurer's Report because it was not received in time. Treasurer's Books are closed December 31.

The duties and responsibilities of the Treasurer are prescribed in the Vermont Statutes 24 VSA-1573 and 16 VSA-3223, and do not include keeping books for other town officials such as Board of Selectmen, Highway Commissioner or Town Manager, on Treasurer's salary.

Besides our own work this past year, my assistant and I have kept the books for the aforementioned for eleven months or until the new office worker arrived. Also, we have prepared and mailed out the tax bills, which according to Title 32 VSA-4791, is also not the Treasurer's responsibility. At the beginning of the year I met with the Board of Selectmen offering to compute the tax bills but requesting compensation for a typist. After much discussion I was allowed \$40.00 extra! Too many years I have done all this extra work for free.

If I am again elected as your Treasurer, it will be my 25th year and, probably, my last one in office. For the sum of \$4,250.00, which includes the \$500.00 from the School Department, (this salary is for both Treasurer and Assistant Treasurer), we shall have to work four days per week in the office as we have been doing and home work, when necessary, but we shall do only the work that the office demands by Statute.

This past fall, my husband and I completed a 15-week course in Municipal Accounting under the sponsorship of Champlain College in Burlington. We travelled to Westminster every week, a round trip of 52 miles and received, from the Town, our mileage of \$78.00 plus one textbook. If the Town votes to go on a Uniform System of Accounting next year, as it should, more auditors should become acquainted with this system in order to compile a more comprehensive and detailed Town Report.

At this time I would like to make an explanation. There appears to have been some question as to the meaning of a statement I made to a reporter for the Weathersfield Weekly some weeks ago. What I meant to convey to the readers concerned the regular year end School balance. I believe any balance in the regular School Account at the year's end should be allotted to the Sinking Fund for fiscal year changeover. This money is voted and supplied by the taxpayers for the ensuing year and should not be applied on a new year. Think it over!

Thank you.

Respectfully submitted

Irene P. Hoyt

## Selectmen's Report

The Board of Selectmen held 24 regular meetings this past year with nearly perfect attendance at each. This was the first year that we operated with five selectmen. This system has worked very well and I am sure will continue to work as we get new people and new ideas.

The Board of Selectmen have had quite a year in regard to the interim zoning hearings. This has placed quite a burden on the selectmen and has taken up a lot of our time. The biggest issue this year has been the Army Corps of Engineers Flood Control Area.

Regarding the budget the selectmen have submitted for your consideration: we have tried to stabilize our cost and still meet the town's needs. The town's requests for services have been rising each year and require a larger expenditure of funds to meet the citizens' needs. Equipment repairs, police and wages have been the major area of increase. Roads in Weathersfield are in good condition. Winter plowing has been somewhat of a problem due to the ice instead of snow. This winter we have used all of the sand and salt that was stockpiled to improve the road conditions, but the type of winter we are having has caused hazardous conditions and the town highway department is doing the best they can.

Green-Up Day was a huge success again this year, but there

was a drop in participation. It seems that only the young and the old take part in Green-Up Day, and the middle age group between 20-40 do not seem to take an active part.

As Chairman of the Board of Selectmen I wish to thank the Weathersfield townspeople for supporting me and I regret that I cannot continue in this capacity. I know that my successor will be even better and continue the progress toward the town's goals.

#### SELECTMEN OF WEATHERSFIELD

Raymond E. Denault, Chairman

Henry N. Hicks

Neil Daniels

Robert Brogdale

Clarence Grover

## **Town Manager's Report**

We have now completed a year under the town manager system of government and with the increase in the Board of Selectmen to five members. This has been a year of trial and error, and I feel we have made steps forward and are working in the right direction.

We have gotten one of our great needs off the ground; namely, the creation of the Ascutney Fire District and the engineering study to establish a community water supply. We have benefited from Federally-funded programs both in the Police Department and in the town office, and are currently involved in a study to establish a rescue squad with a Federally-funded administrator/driver. Our Police Department has been reorganized, though it is still overworked.

Recent acts of the State Legislature, particularly in the environmental and health fields, have necessitated increased supervision of these acts at the local level. Since I was appointed town manager over a year ago to work a 30-hour week for the town, the following duties have been added to my responsibilities: I am now tax collector, zoning administrator, assistant Civil Defense officer, assistant Health Officer, and Town Service Officer. All of these require a greatly increased share of my time. While I feel that I should not "wear all of these hats", it is a necessity that one individual, who is available full time, have the information and services needed by town residents.

Our pressing needs have not really changed. We need permanent zoning; we need to continue work on the water problem in Ascutney; we need a better communication system within our town (both postal and telephone); we need to provide rescue and ambulance service for emergency use for our citizens; we need to establish a road improvement program. While the foregoing will not necessarily increase our town budget, one improvement we badly need that will require additional moneys is the new town barn so that machinery can be repaired indoors in a heated structure as well as provide much-needed space so that all town vehicles can be housed under cover. To diversify and broaden our tax base, we hope to attract suitable industry to Weathersfield.

One of the most important things I have learned this past year is the vital part volunteers play in the successful operation of a small, rural community like ours. These tireless workers rarely receive the thanks and recognition due them, but they contribute greatly to the success of our town government. These individuals, like your town officers, work endless hours serving town interests.

If activity at the town office is any indication, Weathersfield is continuing to grow and develop. Five days a week this is a very busy place, and for the most part, town business is being conducted in and from the town office. All of this helps to give Weathersfield identity. From all indications this growth pattern is here to stay, as well as the problems that come with it, and the direction we take must be positive and benefit the majority of our residents.

Karl Stevens  
Town Manager

## July 29, 1969 Storm Damage Report

Total Expenditures	\$94,706.00
Total Payments Received	<u>92,136.99</u>
Town Funds Spent	\$ 2,569.01

On July 7, 1971 Weathersfield received final payment in the amount of \$37,098.99 from Civil Defense. This sum, plus

\$55,038.00 we received in the fall of 1969, makes the total payment received \$92,136.99. The State audit reduced the anticipated funds by \$1,309.93. The reason for this was a few vital and necessary repairs were made by local crews before the State Highway Board inspection took place and these repairs were not considered eligible for financial reimbursement. The Federal audit further reduced payments another \$1,259.08. The reason for this was that certain necessary repairs, such as culverts, underestimate of gravel, were overlooked at the time of inspection by the Vermont State Highway Board.

Even though there was some cost to the town, Weathersfield is more than thankful for the \$92,000.00 received through the efforts of the Vermont Civil Defense Department.

Karl Stevens, Agent

10 females	@ 9.00	90.00
16 spayed females	@ 3.00	48.00

Half-year

2 males	@ 1.00	2.00
1 female	@ 3.00	3.00

---

414 dogs

---

To Town Treasurer - \$1,170.00

Licensing Dogs this year still requires:

1. The owner or keeper of the dog to appear and sign the license stating the vaccination certificate for rabies presented is the one for the dog being licensed.
2. Dogs vaccinated at 4 months of age and certificates for rabies vaccination issued within 30 months of licensing. The rabies certificate or copy to be filed with Town Clerk.

A spaying certificate is necessary to license a dog as a spayed female to qualify for the lower licensing rate. All dogs four months of age should be licensed. Licenses may be obtained during February and March. They are due April 1st. Those obtained after April 1st are subject to LATE licensing fees which are 50% more than regular fees.

The dog license books are at the Town Office in Perkinsville which is open Monday through Friday from 9 a.m. until 4 p.m. with the exception of holidays. So, please plan to come in person to license your dog...because you have to sign the dog license.

If you check the date of the dog's rabies certificate to make sure it is still within the 30 months required, it could save you an extra trip.

Elizabeth G. Murray,  
Town Clerk

## **Weathersfield Police Department Report - 1971**

The Weathersfield Police Department has taken great strides during the year 1971 both in accomplishments and in progress at a minimum expense to the town. We have received thousands of dollars of assistance from the Governor's Commission on Crime Control and Prevention and have applied for and have already received verification of several thousand dollars of financial assistance for 1972.

The national average in expense for a police department is \$20.00 per person. In Weathersfield it is approximately \$5.00 per person to be able to pick up the phone at any time of the day or night and have a policeman at your service within a few minutes.

We are pleased to report that the equipment we have received along with the necessary schooling through the town has enabled us to apprehend and arrest over 100 individuals during 1971 and receive court convictions on all except a very small percentage.

We wish to express our appreciation to the Vermont State Police, the Springfield Police Department and especially the people of Weathersfield for their cooperation which is so essential in the development and effective operation of the Weathersfield Police Department.

Robert Z. Gale  
Chief of Police

## **Health Officer's Report**

This year has been a very active one for the Town Health Officer. A major campaign was started to clean up all our waterways and any open septic systems. I can safely say that we are well on the road to achieving a clean town.

However, there are still some isolated cases that I have not been able to investigate. I would like to make it perfectly clear that those people with pipes leading into any stream are violating not only a town ordinance but also State Act 252 and as of July 1, 1971 are subject to prosecution by the State if they are caught.

If you believe in ecology, practice it by starting at home!

The cooperation of the citizens of Weathersfield with the Health Officer has been exceptional. It has made my job easier.

Each fall cases of head lice are reported, and outbreaks usually recur periodically during the school year. This is something that is not necessary and causes inconvenience which should not have even occurred.

As the Health Officer I would like to thank you for your cooperation in helping me to meet town and State regulations. I am sorry that I have to leave this position and I know that my successor will be as active, and will continue to work to protect the health and welfare of Weathersfield residents.

Raymond E. Denault  
Health Officer

## Fire Warden's Report

Your fire warden wishes to express to the people of Weathersfield sincere appreciation for the cooperation shown in keeping our fire losses practically in the zero column in 1971. Your fire warden recently received a citation for directing work in the suppression of forest fires and also another letter from Dispatcher Darchy stating Weathersfield was one of the towns in the state with no losses of record for 1971. Gratifying indeed it is, that Weathersfield can be so classified.

Comes a time when changes must be made, whether we like it or not. After serving you for over 30 years, 1972 is to have a new fire warden.

No definite plan at present time, but we can assure you that the new warden will give you very good service.

It is also indeed gratifying that Weathersfield has not one, but two, volunteer fire departments with up-to-date equipment. We dreamed of this many years ago, and now we have it.

Again we say Thank You - and remember, be sure to obtain your fire permit.

Percy I. Bliss

## Ascutney Volunteer Fire Association

1971 was a good year for your Fire Department. We had a lot of fun and good fellowship along with providing a service to the Community. We continue to receive good support, both financially and otherwise from our neighbors. Our ladies are the greatest - they raised over \$1,000.00 to help with our expenses by putting on suppers for various organizations.

We meet the first Monday of each month, at the fire house, at 7:00 p.m. We welcome your help and support. Come over any Monday and get acquainted.

Our big project this year was to install a Plectron system in the fire house. This means when you phone the emergency number (674-2185) the person on duty (24 hours a day) has only to push a button to set off the alarm at the fire house. Then, by radio, two of your officers, who have plectron receivers in their homes, get the location of the fire while the alarm is still ringing. As soon as someone arrives and takes off with the trucks, they too get the location of the fire by radio. This new system saves time, where minutes count.

We have 25 active firemen as of January 1972. We had 27 meetings and drills which included a fire school in Springfield and Green-Up Day in Ascutney. We were called out 12 times for fires or other emergencies.

We have tried our best to save money this year because we desperately need a new, small, 4-wheel drive truck for car and brush fires. Our big tanker-pumper is slow (1,000 gallons of water) and our 1949 converted International pick-up is completely shot and is dangerous to drive. We request that the town vote us \$3,000.00 this year instead of \$2,000.00 to help us obtain a safe vehicle. We know the tax load is heavy, but even \$3,000.00 is real inexpensive fire protection for a town of our size.

Officers for 1972 are:

Henry Cobb, Chief  
Clarence Stillson, 1st Assistant Chief  
Brian Jones, 2nd Assistant Chief  
Rodney Spaulding, Captain

## Financial Statement - Ascutney Volunteer Fire Association

### RECEIPTS:

Balance on Hand 1/1/72	\$1,311.30

## West Weathersfield Volunteer Fire Dept., Inc.

This year after a long look for land, the Department was given a deed to land at Downers Corners. More fill is needed and then a new Fire House can go up and we hope to do that this coming year.

This Department responded to all calls again this year, held meetings, drills and work nights.

This year we set up a new Plectron System in our Department to call the men out faster and to let them know what is going on. At this time we have four Plectrons and hope to add to this so each man can have one in his home. This Plectron can be set up at the Police Office in Ascutney.

We, as your Fire Department, want to thank you for your help and good support.

Thank you,

Clarence N. Grover, Jr.  
Chief, WWVFD

**Golden Cross Ambulance Service Report**

This is to report that during the year of 1971, our service covered 53 calls for the Town of Weathersfield, Vermont.

Lawrence H. Stickney

## Cemetery Commissioners' Report

The Ascutneyville, Bow, Grout and Plain cemeteries all have some endowed funds for perpetual care, mowing and general upkeep, and these were readied for Memorial Day and maintained with this source of income.

The 9 outlying and unendowed cemeteries, which also have great historic interest to the town, were mowed during the summer with the expenses coming from the Town General Fund.

It is with deep sadness that we have to report the passing on December 10, 1971 of Mrs. Louise Covell, who for the last 24 years has been the most active and faithful of cemetery commissioners. She combined a vast knowledge and dedication, along with a keen historical sense, of all of the 13 burying grounds, that record in stone the history of our town. She devoted countless hours of her active life to this end, and she will indeed be sorely missed by the Town and by us all.

Herman Young  
Andrew Titcomb  
Celia Martin  
Grace Stevens

### Weathersfield Bow Cemetery

On hand Jan. 1, 1971	\$109.56
Received from funds	<u>100.00</u>
	\$209.56
Mowing	\$160.00
Lawn mower repairs, trimming, gas and oil	<u>35.00</u>
	\$195.00
On Hand , December 31	\$ 14.56

Many headstones were repaired by Austin of Springfield this fall - due to vandalism.

Additional work done at Bow Cemetery by the Association and by descendants of the Hunt family include repairs to the Jarvis fence, painting of gates and fertilizing of trees.

Grace Stevens

and had published.

Magazines given by:  
Mrs. Guy Raymond  
Mrs. Muriel Follett  
Mrs. Oscar Johnson

Because the last half of the town appropriation was not received until into November, also because of illness among the trustees, there were no books bought for either library. We expect to have them in February.

### **Perkinsville Branch Library**

In August because of Mrs. Covell's illness, the books were stored by Mrs. J. Connor and Mrs. V. Murray in their respective houses.

Mrs. Covell had collected \$10.39 from overdue books and old books sold. She loaned about 165 books.

Mrs. Covell bought an Eisenhower book from her money and it will be put in the Library in honor of Mrs. Covell.

Rent (Mrs. Covell)

\$90.00

Grace Stillson  
Vera Murray  
Muriel Raymond  
Eliza Connor  
Eva Spaulding

## Visiting Nurses

During the year 1971, from January 1 through December 31, the Springfield Regional Visiting Nurse Association, Inc. has given the following direct services to 28 residents of the Town of Weathersfield.

205 Skilled nursing visits at a cost of \$2,373.90  
108 Visits by the Home Health Aides at a cost of \$1,329.48  
5 Treatments by the Physical Therapist at a cost of \$97.00  
37 Health Supervision visits at a cost of \$428.46

Total home visits 355

Total cost \$4,228.84

Approximately 50% of the calls made were to Medicare patients or those over 65.

Costs for direct service care are determined by considering salaries and all overhead expenses incurred to provide home care to individuals.

This year over 121 residents took advantage of the 25 free clinics which were held in Weathersfield and/or Springfield for its citizens.

We are pleased that we were able to re-establish Well Child Conferences at the Springfield Hospital this year, thus providing health supervision including immunizations and health tests for pre-school children in the area. We have continued to work in cooperation with the State Public Health nurses in planning and conducting health programs from the Vermont Department of Health.

The personnel cost factor for the 25 clinics encompassing eight aspects of preventative care and education was \$212.17.

The town received, therefore, \$4,441.01 worth of service. The difference between the cost of the service and the amount paid by the town was made up by contributions, membership dues, reimbursements from insurances, patient fees and State funds.

The Springfield Regional Visiting Nurse Association, Inc. continues to be concerned with assuring the availability of its services - improving the quality of care - and containing its program costs within reasonable limits. We feel these objectives must remain in high priority at this time when so many changes are appearing within the health care system.

Marie Schoff, R.N., B.S.E.  
Director

## Vermont State Department of Health

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1970 through June 30, 1971. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of Weathersfield:

|   |     |
|---|-----|
| Number of Well-Child and School Medical Conferences,<br>and Immunization Clinics held in this town  | 3   |
| Attendance of town residents at above conference/clinics<br>in this or nearby towns   | 99  |
| Number of children aided under Child Health Programs<br>(Child Development Clinic, Handicapped Children's<br>Clinics, Pediatric Consultation and Diagnosis) | 16  |
| Attendance at dental health and brushing classes, and<br>dental inspections   | 316 |
| People X-rayed for tuberculosis detection   | 23  |
| People X-rayed for occupational diseases  | 4   |
| People served at tumor clinics or by tumor diagnostic<br>screening services   | 2   |
| Attendance at diabetes clinics or physician office screen-<br>ing for diabetes  | 4   |
| Attendance at glaucoma screening clinics  | 2   |
| Attendance at amblyopia screening clinics (3-5 year olds)   | 6   |
| Diphtheria, Tetanus, Whooping cough immunizations   | 17  |
| Polio Immunizations   | 38  |
| Smallpox Immunizations  | 6   |
| Red Measles (rubeola) Immunizations   | 8   |
| Rubella (German measles) Immunizations  | 25  |
| Number of water samples (private & public supplies)   | 47  |
| Blood specimens tested (pre-marital, pre-natal & other)   | 46  |
| Other laboratory specimens  | 10  |
| Nutrition and dietary consultations, demonstrations,<br>services  | 2   |

|  |     |
|--|-----|
| Inspections and consultations to hospitals, nursing homes<br>and homes for the aged  | -   |
| Sanitary inspections & consultations to licensed food and<br>lodging establishments and to other public and private<br>facilities                              | 42  |
| Public Health Nurse visits to individuals  | 160 |
| Number served by above visits  | 99  |
| Other consultations, programs, and group service ac-<br>tivities of Public Health Nurses to residents of this<br>town, or held in this town for area residents | 38  |

The Home Health Services program, in addition to providing for the survey of home health agencies as required by Medicare, works cooperatively with the Division of Public Health Nursing, works closely with the Vermont Assembly of Home Health Agencies and the Agency of Human Services in seeking the provision of certified home health care available to all the people of the state.

R. E. Aiken, M.D., M.P.H.  
Commissioner of Health

## **Windsor County Mental Health Services, Inc.**

The Town of Weathersfield, Vermont, appropriated six hundred dollars (\$600.00) to Windsor County Mental Health Services, Inc., at its 1971 Town Meeting. Payment of this amount was received on September 29, 1971.

This money was used to partially defray the cost of services that had already been delivered to residents of Weathersfield as well as for the development of new services. The specifics relating to the growth and service expansion of Windsor County Mental Health Services, Inc., were included in the presentation made to the Board of Selectmen on 12/13/71 requesting an increase at the 1972 Town Meeting.

Victor B. Harrison, Jr. ACSW  
Executive Director

## Memorial Day Parade Report

|                   |                              |                 |

## Ordinances Adopted

### ORDINANCE REGARDING PARKING ON TOWN HIGHWAYS

Pursuant to Vermont Statutes Annotated, Title 24, Sections 1971, 1972 and 1974 the Selectmen of the Town of Weathersfield hereby adopt the following ordinance, to wit:

No motor vehicle shall be parked on town highways within the limits of the Town of Weathersfield between midnight and 6:00 A.M. of the following morning, between December 1st and the following April 1st of each year.

If said ordinance is violated, the said violator shall be fined \$5.00 and said motor vehicle shall be towed away from said street or highway, said fine and towing charge to be paid by said Violator thereof.

The violation of said ordinance shall be deemed a misdemeanor.

This ordinance shall become effective sixty days from the date of said adoption.

Dated at Weathersfield, Vermont this 13th day of December, A.D. 1971.

Raymond Denault, Chairman  
Henry Hicks  
Robert Brogdale  
Clarence Grover, Jr.  
Neil Daniels

### ORDINANCE TO CONTROL CONSTRUCTION, USE AND MAINTENANCE OF PRIVATE SEWAGE TREATMENT SYSTEMS WITHIN THE TOWN OF WEATHERSFIELD

Because of the length of this ordinance, it is not reproduced here. Copies may be obtained in the Town Office.

This ordinance took effect February 25, 1972.

## School Directors' Report

This current school year has seen a significant change in the organization of the Perkinsville and Ascutney Schools. Late last summer the Superintendent of Schools presented a reorganizational plan to the school directors in which he outlined the educational, organizational, and financial benefits of such a move. Briefly, the plan called for educating all primary level children at the Perkinsville School and the fourth through eighth grades at the Ascutney School. Even though it was only a short time before school was to open, the board felt that reorganizing at this particular time far outweighed any serious disadvantages. Transportation appeared to be the largest obstacle to the reorganization. After long hours, some setbacks, and a couple of attempts, a workable transportation system became a reality. Your board has evaluated all phases of the reorganization and feels that the expected outcomes were realized. The board sincerely appreciated the understanding and cooperation the teachers have shown and the patience of the parents.

The staff remained very stable this school year, only four vacancies needed to be filled: Donna MacGregor became a 2nd grade teacher, Gary Cross a 7th grade teacher, Ellen Jones an 8th grade teacher, and Robert Wardell assumed the duties of physical education-music teacher.

One of the most persistent problems at the schools has been maintenance. The leaching fields at the Perkinsville School were repaired last summer, both schools have been re-keyed, new toilets have been installed in the old section of the Perkinsville School, a former teacher's room in Ascutney was enlarged and made into a small reading room, and extensive work has been done on the heating systems. These are just a few examples of the work that has been accomplished, but much more is needed.

The board has worked diligently in the area of financing, the budget presented here is not much more than what was presented last year. There does not appear to be an area of the budget that has gone up sharply, most of the increases are modest ones. The problem arises when one looks at the amount to be raised by local taxes. This figure has gone up by more than twenty percent, even with a \$23,000.00 balance being projected. One of the reasons for this drastic increase is the expected loss in state aid which is, in part, due to the Department of Taxes

fair market value figure for the Town of Weathersfield. This fair market figure went up over six million dollars in one year, an increase of just under forty-five percent.

The budget as presented is realistic and it is the board's hope that the taxpayers of Weathersfield will support the 1972 budget. Your attention is directed to an article in the warning that deals with planning for expansion. The schools are in need of more space and the community must, along with the board, deal with how best to resolve this problem. We ask your support of this article so that we can effectively plan for the future.

## **Principal's Report**

As of December 31, 1971, a total of 387 children had enrolled in the schools. This constituted an increase of 25 over 1970 and 50 over 1969. Because of the increase, it was necessary to continue the use of the partitioned end of the cafeteria at the Ascutney School. The remaining classes were able to absorb their increase.

Reorganization of the schools occurred with the opening of school in the Fall. All Weathersfield children in grades 1 - 3 are now attending the Perkinsville School and all Weathersfield children in grades 4 - 8 are now attending the Ascutney School.

During the summer both school libraries were kept open on a limited once-a-week basis. This was the first year for the Perkinsville School library and the second for the Ascutney School library. Any Weathersfield school student was allowed to borrow books from either library. Both libraries were again staffed by several teachers, school secretary, and librarians who volunteered their time.

Our first Readiness class was begun for some of the youngsters entering their first year of school. The purpose of the class is to allow these children to become ready for formalized school work. It was created under the philosophy that all children of the same chronological age are not necessarily of the same developmental age. Just as all children do not walk or talk at the same age, all children are not ready to learn at the same time.

The services of the Springfield Regional Visiting Nurses were obtained. A nurse is working in the schools ten hours per week.

Adhering to the philosophy that curriculum development is an on-going project, September saw the introduction of reading programs in grades 1 - 3 developed for individual or group learning. Up-dating of materials was also done in some levels of Social Studies and some Reading materials in grades 5-8.

For the 1971-1972 school year curriculum studies are being done in the following areas: Language Arts, Spelling/penmanship (separate study from remainder of Language Arts), Science, and Learning Disabilities. The basic curriculum and materials are being studied.

Several Weathersfield teachers continued their professional growth by participating in courses offered by Moorehead State College (Minn.), Keene State College, Trinity College (Burlington), Castleton State College, University of Vermont, and the University of New Hampshire.

We continued to make use of Federal and State funds made available to us. Our reading coordinator, a remedial reading teacher in Ascutney, and some audio-visual materials are still being provided by these funds. In addition, the services of a speech therapist have been obtained. With matching funds from the P.T.G., an incremental dental program will be used with some first graders.

Weathersfield students participated in the following: (1) Windsor Area Chamber of Commerce Emblem Contest, (2) Vermont Forestry Essay Contest; and (3) Vermont Art Contest.

In conclusion, we extend our appreciation to all who have volunteered their time to school activities and projects.

## 1972 Town Meeting Warning

The legal voters of the Town of Weathersfield are hereby notified and warned to meet at the Multipurpose Room in the Ascutney Elementary School in the Town of Weathersfield, Vermont on Monday, March 6, 1972 at 7:30 o'clock p.m. to act on the following articles: (Voting on Articles 1, 2 and 3 will be by Australian Ballot on Tuesday, March 7, 1972 from 11:00 a.m. until 7 p.m.)

Article 1. To elect Town Officers by Australian Ballot.

Article 2. Will the Town direct the listers to set the polls of all inhabitants, citizens and aliens over 18 and under 65 years of age, in the grand list at \$1.50? (A two-thirds vote of the persons voting is necessary for approval of this article. Title 32 Section 3601 Vermont Statutes Annotated). By Ballot.

Article 3. To see if the Town will vote to elect a Town Clerk and a Town Treasurer for three year terms. By Ballot.

Article 4. To act upon the reports of the Town Officers for the year ending December 31, 1971.

Article 5. To see if the Town will vote to authorize the Selectmen to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 6. To see what the Town will vote to pay town officers who are not on salary for their services and travel expenses.

Article 7. To see if the Town will vote to print in the Town Report the names of delinquent taxpayers and amounts due from each.

Article 8. To see if the Town will appropriate the sum of \$1,000.00 to help finance the purchase of a new fire truck for the Ascutney Volunteer Fire Department.

Article 9. To see if the Town will vote to accept \$150.00 from Victoria W. Salmond to be added to the perpetual care fund already in existence on the Peter Salmond lot.

Article 10. Will the Town instruct the auditors to employ the services of an accountant from the office of the auditor of accounts as provided for in section 1692 of Title 24 to conduct an audit of the accounts of the Town for 1972?

Article 11. To see if the Town will vote an enabling act for the adoption of a Uniform System of Accounting to be instituted next year. (32 V.S.A. Sec 162a (1)).

Article 12. To see if the Town will vote to approve the budget of the Selectmen for the ensuing year.

Article 13. To see if the voters will vote to instruct the Board of Selectmen to appoint a budget committee consisting of nine (9) people to go over Highway, Selectmen's, and School budgets and make recommendations. Said budget figures from each department to be available to this budget committee by January 10.

Article 14. If it becomes permissible by Statute to change the annual town meeting from March to some later date, would the Town be in favor of this change?

Article 15. Will the Town vote to authorize the Selectmen to build a new town garage, not to exceed \$25,000.00?

Article 16. To see if the Town will vote twenty cents (20¢) on the tax rate to take care of the deficit in the General Fund.

Article 17. To see if the Town will vote to approve the budget of the Selectmen for the ensuing year.

Article 18. To see if the Town will vote to collect taxes in the manner provided by statute:

To pay taxes to the Town Treasurer.

To have poll taxes due July 1st, and delinquent after July 1st.

To have real estate and personal property taxes due August 1st and delinquent after November 1st.

To charge interest on delinquent taxes at the rate provided by statute.

Article 19. To transact any other business deemed proper when met not involving the expenditure of Town Funds.

Dated at Weathersfield, Vermont this 31st day of January A.D. 1972.

Henry N. Hicks  
Clarence Grover Jr.  
Robert G. Brogdale  
Neil H. Daniels

Weathersfield, Vermont

## School District Warning

The legal voters of the Town School District are hereby notified and warned to meet in the Multipurpose Room in the Ascutney Elementary School in the Town of Weathersfield, Vermont on Monday, March 6, 1972 at 7:30 o'clock p.m. to act on the following articles. Voting on the first article will be by Australian Ballot on Tuesday, March 7, 1972 from 10 a.m. until 8 p.m.

Article 1. To elect School District Officers by Australian Ballot.

Article 2. To act upon the report of the School Directors for the year ending December 31, 1971.

Article 3. To see what the Town School District will vote to pay Town School Officers for their services and travel expenses.

Article 4. To see if the Town School District will vote the sum of \$59,000.00 for the establishment of a Public Kindergarten as part of the public schools of the district.

Article 5. To see if the Town School District will vote a sum of \$2,000.00 to engage an architect for the purpose of planning for expansion at the existing facilities.

Article 6. To see what specific sum of money the Town School District will vote to raise for expenses, capital improvements, or other lawful purposes to the end of the school year next ensuing - all in lieu of a rate on a dollar of the Grand List.

Article 7. Shall the Town School District of Weathersfield hold its annual meeting on the first Tuesday in March for the election of officers and the transaction of other business, V.S.A. Title 16, Section 422?

Article 8. To see if the Town School District will authorize the School Directors to borrow money, if necessary, to pay current expenses in anticipation of taxes.

Article 9. To transact any other business necessary and proper.

Dated at Weathersfield, Vermont this 1st day of February, A.D. 1972.

Peter M. Daniels, Chairman

Agnes S. Torp, Clerk

Gary P. Richardson

Roger W. Eastman

Weathersfield School Directors

Richard Hinkley

Marjorie S. Foster

## **Tribute To Louise Covell**

When folks wished costumes for a play, a pageant or a musical, to whom did they first make their request? To Mrs William Covell, of course.

When they wished information concerning Weathersfield history, or a special display set up for the Weathersfield Historical Society or a particular library book, or someone to chair the Heart Fund campaign....to whom did they turn? To Mrs. Covell, naturally.

When people from far away or near at hand sought information concerning Weathersfield cemeteries, or wished genealogical research done, who did they consult? No other than..... Mrs. Covell. So it was in many other fields that only you as an individual may recall.

Louise Waterbury Covell was born in Darien, Connecticut, September 11, 1884. She had worked as a nurse in Connecticut and was a summer visitor at the home of Mrs. Bessie Weed Shaw in the Upper Falls area where she met her future husband, William P. Covell, who was descended from the early settlers of Weathersfield. They were married in May 1924, and Louise Waterbury Covell became an ardent supporter of her adopted town of Weathersfield. She died on December 10, 1971. Although Mrs. Covell no longer walks among us, she will be long remembered and frequently in the thoughts of her many friends.

- Betty G. Murray

as said house should stand - To be built the present year...the outside finished and the floor laid, said house to be built sixty feet long and forty three feet wide on the ground where the meeting House stood lately consumed by fire or not more than thirty feet in front if the Town will give said society the privilege of building the house on said land. Signed by John Parker, John Warren and Benjamin Tolles, Committee of said Society dated May 1st 1821. And whenever said land ceases to be used for the aforesaid purposes the said land to revert back to the Town.

"The above proposal of the first congregational society in Weathersfield to the town of Weathersfield was agreed to on the part of the Town by a large majority of votes. Attest James Converse, Town Clerk.

"And, Furthermore, it was agreed to by both parties (Viz) on the part of the society and on the part of the Town that a legal conveyance shall be made by the Selectmen to the said congregational society on the one part and a like legal conveyance on the part of the said congregational society to the Town on the other part agreeable to the aforesaid proposal.

Attest James Converse Town Clerk"

Such is some of the early history of the Meeting House for which the First Congregational Society held commemorative services on Pilgrimage Sunday, August 8, 1971 in observance of the 150th anniversary of the rebuilding of the church.
